## General conditions which apply to the whole policy

### 1 General Exclusions

This **policy** does not cover claims directly or indirectly caused by or arising from the following.

- a **Early cancer** or **major cancer** diagnosed during the **waiting period**, or where **you** suffered signs or had symptoms or investigations before the **waiting period** expires.
- b **Early cancer** or **major cancer** in the presence of human immunodeficiency virus (HIV) infection.
- c **Early cancer** or **major cancer** caused directly or indirectly by:
  - i. alcohol or drug abuse;
  - ii. asbestos, including any actual or alleged asbestos related injury or damage involving the use, presence, existence, detection, removal, elimination or avoidance of asbestos or exposure or potential exposure to asbestos.
- d Cancer, carcinoma-in-situ (CIS) or **cancer-linked pre-existing medical conditions** that existed before the **original start date** or the date **we** receive the premium for a plan upgrade, whichever is later, unless **we** have agreed in writing to cover.

If **we** refuse to pay a claim as a result of any of the exclusions listed above and **you** disagree with **our** decision, **you** are responsible for proving that **we** are legally responsible for the claim. If any part of any exclusion is found to be invalid or **we** cannot enforce it, it will not affect the rest of the exclusions.

### 2 Changing your plan

The **policyholder** may write and ask to change the plan at **your** next **policy** renewal if **we** have not paid out any claim under this **policy**. If **we** do approve **your** request, **we** will tell **you** when the change in plan will take place and the change will be reflected in an **endorsement** issued by **us**.

If **you** upgrade **your** plan to receive a higher coverage, **you** will continue to be covered under the previous plan for 90 consecutive days from the date **we** receive payment for the plan upgrade. Any **early cancer** or **major cancer** diagnosed during this period, or if **you** suffered signs or had symptoms or investigations before the end of this period, **you** will be covered under **your** previous plan. Claims arising from conditions that **you** developed or are diagnosed with before the request to upgrade plan will also continue to be covered under the previous plan.

For example,

Policy Year	Plan	Remarks
1	Essential	Contracted Hepatitis B
2	Essential	Upgrade plan
3	Enhanced	<p>Within 90 consecutive days from the date <b>we</b> receive payment for the plan upgrade:</p> <ul style="list-style-type: none"> <li>• Coverage is still under Essential plan.</li> </ul> <p>After 90 consecutive days from the date <b>we</b> receive payment for the plan upgrade:</p> <ul style="list-style-type: none"> <li>• <b>Early cancer</b> or <b>major cancer</b> arising from Hepatitis B still covered under Essential plan;</li> <li>• Others are covered under Enhanced plan.</li> </ul>

### 3 Premium

- a The premium that the **policyholder** pays for this **policy** can change. If **we** change the premium for this **policy**, **we** will write to the **policyholder** at their last-known address or email address at least 30 days before the change is to take place, to tell the **policyholder** what the new premium is.
- b Premium due dates
  - i. The premium is due on or before the **start date** of this **policy** and if this **policy** is renewed, the start date of the next **policy year**. If the **policyholder** has chosen monthly **recurring payment arrangement**, the premium is due on the dates shown in the debit note or tax invoice issued to the **policyholder**.
- c Premium payment
  - i. The **policyholder** can pay the premium due for this **policy** using the **recurring payment arrangement** they have chosen.
  - ii. Before the premium due date, **we** will charge the premium to a credit card or take the premium by GIRO from a bank account chosen by the **policyholder**.
  - iii. The **policyholder** can change the chosen **payment frequency** and **recurring payment arrangement** by calling **us** or writing to **us** at least 21 days before the end of the **policy year**. The change will take effect from the start date of next **policy year**.

## 4 Payment before cover warranty

**We** (or **our** intermediary) must receive the premium due on or before:

- a the **start date** of this **policy**.
- b The start date of the next **policy year**, if this **policy** is renewed; and
- c The subsequent premium due dates as shown in the debit note or tax invoice (which applies only if the **policyholder** chooses the monthly **recurring payment arrangement**).

If **we** or **our** intermediary do not receive the premium due on the dates described above, this **policy** will not be valid or renewed and **we** will not pay any benefits.

## 5 No Claim Bonus

If **you** do not have any claims, **we** will increase the benefit limit of section 1 in **your** next policy renewal by 5% up to a limit of 5 consecutive renewals. For example, if **you** do not have any claims, **you** will have a no claim bonus of 25% from the 5<sup>th</sup> renewal onwards.

If **your policy** is not renewed continuously, or if there is any claim under this **policy** under any section for which **we** accept or pay, the no claim bonus will be reduced to zero, and **we** will not give any no claim bonus for any and all subsequent renewals.

For avoidance of doubt, if **you** change **your** plan in the next **policy year** and no claim has been made, the no claim bonus for **your** renewal policy will be computed based on the original benefit limit as at the **original start date**.

## 6 Renewal

If this **policy** is renewed, **we** will provide the new terms and conditions (if these apply) for the next **policy year** before the start date of the next **policy year**. **Your** successful payment of premium for the next **policy year** would mean that **you** have accepted the new terms and conditions.

If **we** did not receive request to cancel this **policy** as set out in general condition 8(b), **we** will take the premium using the last **recurring payment arrangement** chosen by the **policyholder**.

This **policy** will apply as long as **we** can successfully collect the premium before the premium due date.

If **we** do not successfully collect the premium before the start date of the next **policy year**, this **policy** is not renewed and cannot be reinstated.

## 7 Free-look period

**We** will give the **policyholder** 14 days from the time they receive this **policy** to decide whether to continue with it. If the **policyholder** does not want to continue and there is no claim made under this **policy**, they may call **us** or write to **us** to cancel this **policy** from the **original start date**. **We** are not liable to pay out any benefits under this **policy** and the **policyholder** will get a full refund of the premium. **We** consider that this **policy** has been delivered (and received) seven days after **we** post it. This condition does not apply to policy renewals.

## 8 Cancellation and refund

- a For **policy** cancellation, **we** will not refund any premium if a claim has been made under this **policy**.
- b If **we** cancel this **policy**
  - i. **We** can cancel this **policy** by giving the **policyholder** seven days' written notice. **We** will consider that the **policyholder** has received this cancellation notice on the same day if **we** deliver the notice by hand, mail, fax or email.
  - ii. **We** will cancel this **policy** on the date the premium is due if **we** do not receive the premium due or **we** are not successful in taking the premium from the credit card or GIRO account the **policyholder** has chosen.
  - iii. **We** will cancel this **policy** from the **original start date** and premium will be fully refunded if **you** have been diagnosed with cancer, carcinoma-in-situ (CIS) or **cancer-linked pre-existing medical conditions** before the **original start date** or if **early cancer** or **major cancer** was diagnosed within the **waiting period**, or if there were signs or symptoms which appeared before the **waiting period** expires.

If **we** cancel this **policy** because the premium has not been paid, **you** may apply for a new **policy**. However, **your** application will depend on **us** accepting it based on **your** latest medical conditions.

- c If there is no claim under this **policy** and the **policyholder** wishes to cancel the **policy**
  - i. **Monthly recurring payment arrangement**
    - The **policyholder** may cancel this **policy** by calling **us** or writing to **us** and cancellation will be effective from the date **we** receive the notice of cancellation.
    - For cancellation after the 14-day free-look period (under general condition 7), **we** must receive the notice of cancellation no

later than 21 days before the next monthly premium due date. This **policy** will then be cancelled on the day the monthly premium is due.

- But, if **we** receive the notice of the cancellation less than 21 days before the next monthly premium due date, this **policy** will be cancelled on the following month when the premium is due.

Cancellation of policy with monthly premium – For example	
Period of insurance	22 Sep 2019 to 21 Sep 2020
Monthly premium due date	22 (Sep, Oct, Nov, Dec, Jan, Feb and so on)
If we receive the notice of cancellation:	
On 1 Oct 2019	cancellation will take effect on 22 Oct 2019.
On 20 Oct 2019	cancellation will take effect on 22 Nov 2019.

ii. Yearly **recurring payment arrangement**

- The **policyholder** may cancel this **policy** by calling **us** or writing to **us** and cancellation will apply from the date **we** receive the notice of cancellation.
- For cancellation after the 14-day free-look period (under general condition 7), and:
  - Before the start date of the **policy**; premium less \$10.90 (after GST).
  - After the start date of the **policy**, **we** will work out the premium as follows:

Period of insurance (in days) still left to run	85% of the premium paid
Original period of insurance of this <b>policy</b>	×

- **We** will not refund any premium below \$38.15 (after GST).

If **we** refund premiums, **we** will do so to the **policyholder**.

## 9 Paying benefits

**We** will pay the benefits listed in this **policy** only if:

- the **policyholder** has met general condition 4;
- the **policyholder** or **you** have given **us** satisfactory proof of the claim; and
- you** live beyond the **survival period**.

**We** will pay benefits as described in section 1, 3 or 4 as shown in the **table of cover** to **you** unless **you** die after

the **survival period**, in which case **we** will pay to **your** legal representative.

If **you** die after the **survival period**, **we** will stop paying the benefit under section 2.

For a **policy** with a monthly **recurring payment arrangement**, before **we** can pay the claim, **we** will first take from the claim amount any premium owed to **us** for the rest of the **policy year**.

When **we** have paid the claim for any benefit, **we** will have no further legal responsibility to **you** or the **policyholder** under this **policy** for the specific claim. Despite anything **we** have stated to the contrary, **we** will not pay any claim if the laws of Singapore, or the country of which **you** are a citizen, prevent **us** from doing so.

## 10 Misrepresentation

**We** will treat this **policy** as void if **you** or the **policyholder** misrepresents or misdescribes any information which may affect **our** decision to accept the application.

## 11 Fraud

**You** or the **policyholder** must not act in a fraudulent way. **We** will take the action shown below if **you** or the **policyholder** or anyone acting for **you**:

- makes a claim under this **policy** knowing the claim to be false or fraudulently exaggerated in any way; or
- makes a statement to support a claim knowing the statement to be false in any way; or
