It includes all personal data for us to evaluate or administer this application or transaction. For example, if you are applying for an insurance policy, in addition to the personal data provided in the application form, the personal data will also include any subsequent information we collect on health or financial situation, or any information that is necessary for us to decide whether to insure and on what terms to insure, such as test results, medical examination results, and health records from medical practitioners or other insurance companies.

You may not alter any of the wording in this 'Personal data collection statement'. Any attempt to do so will be of no effect.

3. Consequence of withdrawing consent to the collection, use and disclosure of personal data

You may refuse or withdraw your consent for us to collect, use or disclose your personal data and your insured persons' personal data by giving us reasonable notice so long as there are no legal or contractual restrictions preventing you from doing so. For example, you may withdraw your consent for your personal data to be used for marketing purposes, and this withdrawal will not affect our ability to provide you with the products and services that you asked for or have with us. But if you withdraw your consent for us to use your personal data for your insurance matters, this will affect our ability to provide you with the products and services that you asked for or have with us, including preventing us from keeping your insurance cover in force or properly assessing and processing your claim. Withdrawing such consent will require you to surrender or terminate all your policies with us.

4. Access and correction rights
