Your adviser is required to explain the following to you if you are upgrading/downgrading your Integrated Shield plan. (This does not apply for direct marketing.)

- I confirm that my adviser has explained to my satisfaction the implications associated with this switch/replacement and, based on his/her recommendation, I agree to proceed with the switch/replacement of my existing Integrated Shield Plan. I am aware that each life to be insured can only have one Integrated Shield Plan. Once this policy commences, the existing Integrated Shield Plan covering the life to be insured will be automatically terminated.
- My adviser has explained to me the implications associated with this switch/replacement. I am aware that the implications that may arise from a switch/replacement could outweigh any potential benefit such as:

  - If I am switching to this plan and I have existing medical conditions that are currently covered by my existing plan, I am aware that I may lose coverage for those conditions

### Section G: Declaration to Central Provident Fund Board (CPF)

#### 1. Authorisation by CPF account holder (applicant)

I authorise the Central Provident Fund Board (the "CPF") to deduct premium(s) due for the Life/Lives to be Insured as named under this application (the "Life/Lives to be Insured") from my Medisave account (including any new Medisave account(s) which I may have arising from obtaining Singapore Permanent Resident status or otherwise) in accordance with the provisions of the Central Provident Fund Act (Chapter 36), the MediShield Life Scheme Act (Act No. 4 of 2015) and the respective subsidiary legislation made thereunder and as amended from time to time and subject to all terms and conditions as may be imposed by the CPF Board from time to time for the purposes of the Private Medical Insurance Scheme (or by such other name as it may be referred to from time to time) (PMIS).

I authorise the CPF Board to disclose information/seek information on a confidential basis to/from any Insurer(s) for the PMIS in respect of the insurance cover issued following this application. Such information includes but is not limited to:

I/We, the Life/Lives to be Insured named under this application, hereby consent to the transfer and disclosure, at any time and without notice to me/us, of any medical information on me/us, in the Insurer's or the CPF's possession, between the Insurer and the CPF for the purpose of assessing the insurability of me/us and/or the making of a claim under the PMIS.

**3. Automatic termination of existing integrated medical insurance plan(s) for Life/Lives to be Insured under certain circumstances**

Subject to the relevant laws and terms and conditions, I understand that:

- (i) Upon the commencement of this IncomeShield cover, any other existing Integrated Shield Plan (if any) under the PMIS in favour of the Life/Lives to be Insured shall automatically terminate; and
- (ii) Upon the commencement of another Integrated Shield Plan in favour of the Life/Lives to be Insured, this IncomeShield cover of the Life/Lives to be Insured shall automatically terminate.

### Section I: Declaration and authorisation

Where the declaration and authorisation below applies to me:

I declare that the answers given in this application are true, correct and complete. I accept full responsibility for them, whether written by me or by anyone else on my behalf. I have not withheld any information. I agree that this application and other written answers, statements, information or declarations I have made or which have been made on my behalf will form the basis of the contract of insurance between the policyholder and you. If anything is untrue, incorrect or incomplete, the insurance policy will not be valid.

I confirm that I understand and agree to the 'Personal data collection statement'.

I agree that your legal responsibility will only begin when you accept this application and you have received the first full premium of the plan. The start date of the plan will be shown in the Policy Certificate.

I agree that you can end any IncomeShield/Enhanced IncomeShield policy that was previously issued to me when you have accepted this application.

I, agree and authorise:

- (a) any doctor, insurer, or organisation to release to you, and
- (b) you to release to any doctor, insurer or organisation,

any relevant information to do with me and the life to be insured, whether:

- (i) this application is accepted or refused, or
- (ii) for the purpose of this application or any other purpose in respect of the policy to be issued.

Where a credit card is used for paying the cash portion of the main plan and/or rider and the cardholder is different from the applicant, I declare that the cardholder has authorised and consented to such use and that I am authorised to agree to the payment method and terms under the above credit card option on the cardholder's behalf.

A photographic copy is valid as an original copy.

I declare that my adviser has advised me/us that:

All Singapore Citizens and Permanent Residents will be covered by MediShield Life. An Integrated Shield Plan comprises two parts – a MediShield Life portion provided by the Central Provident Fund Board (CPF) and an additional private insurance coverage provided by Income. As Integrated Shield Plan premiums are higher than MediShield Life premiums, there should be sufficient monies in my/our Medisave account(s) or I/we should have enough cash to pay for MediShield Life premiums on an ongoing basis before I/we consider purchasing an Integrated Shield Plan.

I agree that the product summary has been explained to me to my satisfaction by my adviser. (This does not apply for direct marketing.) A copy will be provided together with my policy document.

I am aware that I can ask for a copy of Your Guide to Health Insurance from my adviser. (This does not apply for direct marketing.) Or, I can download one at [www.income.com.sg](http://www.income.com.sg).

I can ask for advice from an adviser before I sign this application. I will make sure that this product is appropriate to my financial needs and insurance objectives. (This applies for direct marketing.)

I confirm that I am not an undischarged bankrupt, that no statutory demand has been served on me and no bankruptcy order has been made against me. This application is governed by and interpreted according to the laws of the Republic of Singapore.

#### WARNING:

**You must give all the facts truthfully when you make this application. If you fail to reveal any material information in this application, you may not receive any benefits under your policy or we may declare your policy as void or add extra terms on your policy. If you are in doubt as to whether a fact is material, you should reveal it anyway. This includes any fact which you may have given to the adviser but is not written in this application. Please check to make sure you are fully satisfied with the information in this application.**

**You may not alter any of the wording in this proposal form. Any attempt to do so will be of no effect.**

## Product summary – IncomeShield plan

### Product information

#### IncomeShield plan

This is a hospital and surgical plan that helps you reduce the financial burden on your family if you, or your family members who are covered, have to stay in hospital. Depending on the plan you have chosen, we will pay the reasonable expenses for the insured person's necessary medical treatment according to the limits of compensation set out in the benefits schedule below.

#### Integration with MediShield Life

If the insured person is a Singapore Citizen or a Singapore Permanent Resident, the insured person will be jointly insured under MediShield Life which is run by the Central Provident Fund Board and governed by the Central Provident Fund Act (Chapter 36) and the MediShield Life Scheme Act (Act No.4 of 2015) and any subsidiary legislation made under such acts (the "act and regulations"). Upon renunciation of your Singapore Citizenship or Singapore Permanent Resident status, your policy will continue as a non-integrated plan.

#### Comparison of Benefits between MediShield Life and IncomeShield plan

An IncomeShield policy is made up of two parts – a MediShield Life portion provided by the Central Provident Fund Board (CPF Board) and an additional private insurance coverage portion provided by Income. The full IncomeShield premium comprises the MediShield Life premium and your IncomeShield's additional coverage premium.

In the event of hospitalisation/medical treatment, your final payout will comprise the MediShield Life payout and the IncomeShield coverage payout. For example,

- if the payout computed based on the full IncomeShield benefits is \$2,000, and the payout based on MediShield Life benefits is \$500, the policyholder will receive \$2,000, which comprises \$500 from the MediShield Life payout, and \$1,500 from the IncomeShield additional coverage payout.
- In the case where the payout based on MediShield Life benefits is higher than that from the IncomeShield benefits, the eventual payout will be based on the MediShield Life benefits.

<sup>2</sup> Includes charges for the following approved medical items:

- Intravascular electrodes used for electrophysiological procedures

- Intra-aortic balloons (or balloon catheters).

<sup>3</sup> Pre-hospitalisation and post-hospitalisation treatment are not covered for treatment given before or after, inpatient psychiatric treatment benefit, accident inpatient dental treatment, emergency overseas treatment or stay in a short-stay ward.

<sup>4</sup> To claim for staying in a community hospital,

- the insured must have first had inpatient hospital treatment in a restructured hospital or private hospital;
- after the insured is discharged from the restructured hospital or private hospital, they must immediately be admitted to a community hospital for a continuous period of time;
- the attending registered medical practitioner in the restructured or private hospital must have recommended in writing that the insured needs to be admitted to a community hospital for necessary medical treatment; and
- the treatment must arise from the same injury, illness or disease that resulted in the inpatient hospital treatment.

<sup>5</sup> Pregnancy complications benefit pays for inpatient hospital treatment for the following:

- ectopic pregnancy
- pre-eclampsia or eclampsia
- disseminated intravascular coagulation (DIC)
- miscarriage where the foetus of the insured dies as a result of a sudden unexpected, non-malicious and involuntary event
- ending a pregnancy if an obstetrician considers it necessary to save the life of the insured.

<sup>6</sup> We will waive (not enforce) the co-insurance and deductible due for a claim for the inpatient hospital treatment, pre-hospitalisation treatment and post-hospitalisation treatment if the insured dies (i) while in hospital; or (ii) within 30 days of leaving hospital. If the insured dies within 30 days of leaving the hospital, we will also waive the co-insurance due for a claim of outpatient hospital treatment if the treatment was received by the insured within 30 days of leaving hospital.

<sup>7</sup> If the insured is admitted into a ward and medical institution that is higher than what they are entitled to, we will only pay the percentage of the reasonable expenses for necessary medical treatment of the insured as shown using the pro-ration factor that applies to the plan.

<sup>8</sup> If the insured is a Singapore Permanent Resident or a foreigner, we will further reduce the amount of each benefit we will pay by the citizenship factor below. The citizenship factor applies to any claim under your policy unless you have chosen the Singapore Permanent Resident or foreigner plan.

- Plan B : 89% (for Singapore Permanent Resident); 80% (for foreigner)
- Plan C : 57% (for Singapore Permanent Resident); 28% (for foreigner)

<sup>9</sup> MediShield Life does not cover emergency overseas treatment.

<sup>10</sup> Pro-ration for non-subsidised outpatient cancer treatments will apply for MediShield Life from 01 Nov 2016. Renal dialysis and immunosuppressant drugs approved under MediShield Life for organ transplant will not be pro-rated for MediShield Life.

<sup>11</sup> Deductible does not apply to outpatient hospital treatment.

<sup>12</sup> Claimable amount is the lower of (i) the claim limit in the table or (ii) the amount after adjusting the charges for pro-ration and citizenship factor, if needed.

## What you will need to pay

You may use your Medisave to pay the yearly premium for the IncomeShield plan. If the insured is a Singapore Citizen or Permanent Resident, the MediShield Life portion of the premium is fully payable by Medisave. For the remaining portion of the premium for additional private insurance coverage, the amount that can be paid by Medisave is subject to the Additional Withdrawal Limits (AWLs). If the insured is a foreigner whose plan does not have a MediShield Life component, the Medisave Withdrawal Limits for the plan's full premium is equivalent to the combined Standard MediShield Life premium amount and AWLs that can be used for Singapore Citizens and Permanent Residents. The premium rate is based on the insured person's age at their next birthday, and will increase when the insured person reaches the next age band. You will also need to pay the deductible and co-insurance that is not covered by your IncomeShield plan.

The above premium rates apply to policies starting from 1 November 2015. Premium rates are inclusive of 7% GST. Yearly premiums are based on the insured's age at next birthday, and will increase when the insured reaches the next age band. Premium rates are non-guaranteed and may be reviewed from time to time.

- <sup>1</sup> The last entry age is 75, based on the insured's age next birthday, when cover starts.
- <sup>2</sup> Your MediShield Life premiums may differ depending on your premium subsidies, premium rebates and whether you need to pay for the Additional Premiums. The net MediShield Life premium payable after accounting for these is fully payable by Medisave.
- <sup>3</sup> This refers to the cash outlay if you are paying by Medisave (assuming you have sufficient monies in your Medisave account). If you are not paying by Medisave, your total cash outlay will be equal to MediShield Life Premiums + Premiums for Additional private insurance coverage. For example, for an insured aged 30 (at next birthday) buying IncomeShield Plan P, the total premium = \$195 + \$163 = \$358

- <sup>3</sup> This refers to the cash outlay if you are paying by Medisave (assuming you have sufficient monies in your Medisave account). If you are not paying by Medisave, your total cash outlay will be equal to the Total Premiums. You can pay premiums for the main plan by Medisave, cash, cheque, credit card or GIRO.

The Total Distribution Cost of this product is 55.5% of the additional private insurance premium for the first year and 5.5% of the additional private insurance premiums for renewal years. Total Distribution Cost is each year's expected distribution-related costs, without interest. Such costs include cash payments in the form of commission, costs of benefits and services paid to the distribution channel. Please note that the Total Distribution Cost is not an additional cost to you; it has already been allowed for in calculating your premium.

## The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your adviser if you have more questions.

### Eligibility

The applicant must be aged 16 and above. Both applicant and insured must be a

- Singapore Citizen;
- Singapore Permanent Resident; or
- foreigner who has an eligible valid pass with a foreign identification number (FIN).

### Nationality

You must buy the IncomeShield plan based on the nationality or citizenship status of the insured person.

Foreigners who hold a long-term visit pass plus (LTVP+) may buy plans under the Singapore Permanent Resident (PR) category, but the plan will not be integrated with MediShield Life. Please attach a copy of the LTVP+ pass together with your application form.

**Citizenship factor**

For non-Singapore citizens who continue to be insured under plans meant for Singapore Citizens, we will apply a citizenship factor to the benefits we pay.

**Using Medisave**

Premium payments by Medisave are governed by the relevant Medisave regulations.

**Deductible and co-insurance**

The deductible is that part of the benefit you are claiming that you must pay before we will pay the benefit. The amount of deductible depends on the actual ward you are admitted to. The co-insurance is that percentage share that you need to pay after the deductible.

**Start of cover**

We will start the cover after we have approved your application, and full premium payment is received by Income. The start date of the plan will be shown in the Policy Certificate.

**Pre-existing illness, disease or condition**

Pre-existing illness, disease or condition means any illness, disease or condition:

- for which the insured asked for or received treatment, medication, advice or diagnosis (or which they ought to have asked for or received) before the start date or the last reinstatement date (if any), whichever is later;
- which was known to exist before the start date or the last reinstatement date (if any), whichever is later, whether or not the insured asked for treatment, medication, advice or diagnosis; or
- the conditions or symptoms of which existed before the start date or the last reinstatement date (if any), whichever is later, and would have led a reasonable and sensible person to get medical advice or treatment.

**Terms of renewal**

We will automatically renew the cover if you pay the premium within 60 days from the renewal date of the policy, based on the insured person's age on their next birthday.

**Guaranteed renewal**

We will renew your policy automatically every year. We guarantee to do this for life as long as the premium is paid at the current rate which applies; and the cover for the insured under your policy has not been ended.

**Changing the terms and conditions**

We may change the terms and conditions of the policy contract at any time by giving you 30 days' written notice to your last-known address.

**Change in premium**

The premium that you pay for the plan may change. We will give you 30 days' written notice of any change in premium to your last-known address. However, any change in the premium will apply to all policies within the same class of IncomeShield plan.

**Changing the plan**

If you ask to change the plan, we will tell you the start date of the new plan if we approve your request.

**Upgrading or Switching of plan**

You can only have one Integrated Shield Plan. Once this policy commences, your previous Integrated Shield Plan (if any) will be automatically terminated. Where applicable, your health will be assessed by us. If you are not in good health, we may

- decline your application; or
- not provide you with certain benefits

If you are currently holding an Integrated Shield Plan with us and are upgrading your plan, you may not be given the enhanced benefits due to your existing medical conditions.

If you are currently holding an Integrated Shield Plan with another insurer and are switching to this plan with us, and you have existing medical conditions that are currently covered by the existing plan, you may lose coverage for your existing medical conditions.

### **Downgrading of plan**

In the event that you cannot afford, or do not wish to continue paying the premiums for your Integrated Shield Plan, you can switch to a lower coverage but more affordable plan with us (if available), or cease your Integrated Shield Plan. If you are a Singapore Citizen or Permanent Resident, regardless of your decision, you will continue to be covered by MediShield Life for life without any exclusion.

### **Free-look**

We will give you 21 days from the time you receive your policy to decide whether you want to continue with it. If you do not want to continue you may write to us to cancel your policy and get a refund of your premium paid. We consider that the policy has been delivered (and received) seven days after we post it.

### **Cancellation**

You may cancel the IncomeShield plan by giving us 30 days' written notice. If you are a Singapore Citizen or Permanent Resident, even though you have terminated your IncomeShield, you will continue to be covered under MediShield Life, which is a basic healthcare insurance that helps to pay for large hospital bills and expensive outpatient treatments such as dialysis and chemotherapy. For more details, please visit [www.medishieldlife.sg](http://www.medishieldlife.sg).

### **Ending the policy**

All benefits will end when one of the following events happens, and we will not be legally responsible for any further payment under your policy.

- b We do not receive your premium after the period of grace.
- c The insured dies.
- d You fail or refuse to pay or refund any amount you owe us.
