How to prepare for your health screening?

What to bring

- Necessary documents (eg. identification card, staff pass, company's letter for verification).

What to bring

- 10 hours fasting is required prior to your appointment.
- No food or beverage are to be taken during the fast. Only sips of plain water is allowed.
- The entire screening will be completed in one morning.
- To help us serve better, please keep to the appointment time.

Visit our website www.ardenneshealth.com.sg for more information.

Prior appointment with clinic is strictly needed. Please contact us to book appointment.
