Conditions for iTerm

Your policy

This is an insurance protection plan that provides cover for a limited period of time.

We will pay benefits if the insured becomes **totally and permanently disabled** (before the age of 70), becomes **terminally ill**, or dies, during the term of the policy.

You cannot cash in this policy.

1 What your policy covers

If the insured becomes **totally and permanently disabled** (before the age of 70), becomes **terminally ill**, or dies, during the term of the policy, **we** will pay the sum assured. The policy will end when **we** make this payment.

2 Our responsibilities to you

The **contract term** will give details of how long this policy applies for. If there is no claim on this policy during its term, when it ends, **we** will renew it for the same **contract term** and sum assured.

However, in any one of the situations shown below, **we** will only renew it for a shorter term that is a multiple of five years. This means the renewal term will neither go beyond the original

contract term, nor the **anniversary** immediately after the insured's 84th birthday.

- If the original **contract term** is not in multiples of five years.
- If the original **contract term** is in multiples of five years, but the **anniversary** immediately after the insured's 84th birthday falls within the **next contract term**.

We will continue to renew the policy this way until the insured is 80 years or older at the time the policy is due for renewal. **We** will stop renewing the policy then.

We will work out the renewal premium based on the policy's renewal term, sum assured and the age of the insured at the time the policy is renewed.

3 Your responsibilities

You will pay your first premium at the time **you** apply for this policy. **You** will then pay future premiums when they are due. **You** will have 30 days as a period of grace to make these payments for this policy to continue. If **we** are due to pay any benefits during this period, **we** will take off any unpaid premiums from the benefits.

If **you** still have not paid the premium after the period of grace, this policy will end.

If this policy ends because **you** have not paid the premium, **you** can reinstate it within 36 months by paying the premiums **you** owe along with interest. This applies as long as **you** give **us** satisfactory proof of the insured's good health

and there is no change in the risks covered by this policy.

If **you** cancel your policy before the next premium is due, **we** will end your policy from the next premium due date and **we** will not refund any unused premium.

4 What you need to be aware of

a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

We will refund the total premiums paid, without interest, from the **cover start date**.

b Total and permanent disability (TPD) benefit

Under the definition of **TPD**, if the insured is under 65 years old, he or she must be unable to carry out any occupation. **We** do not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

If the insured is 65 years old and above, but under 70 years old, he or she must be suffering from a **severe disability**. Otherwise, **we** will not pay the benefit.

However, if there is **total physical loss**, and the insured is under 70 years old, **we** will pay.

We will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;

- unlawful acts, provoked assault or deliberate exposure to danger; or
- the effects of alcohol, drug or any dependence.

We will also not pay this benefit unless the insured is certified by a **registered medical practitioner** to have been **totally and permanently disabled** for at least six months in a row.

If the insured is also covered for **TPD** under any policies which have been issued in the past (whether issued by **us** or by any other insurer), the total **TPD** benefit due under all these policies cannot be more than S\$6.5 million (not including bonuses). In this case **we** will first take into account the amounts due under the earlier policies, and then pay out only an amount to bring the total payments to S\$6.5 million (not including bonuses). The cover for death will be reduced by the **TPD** payment, and this remaining cover will continue as long as **you** pay premiums on it. **We** will work out the remaining cover as well as the reduced premium **you** will need to pay for this remaining cover.

c Making a claim

We must be told within six months after the diagnosis or the event giving rise to the claim.

d Refusing to pay a claim

After **you** have been continuously covered for one year from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition**; or
- the claim is excluded or not covered under the terms of the policy.

e Transferring the legal right of the policy

You cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

f Excluding third-party rights

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act (Chapter 53B).
