The above premium rates apply to policies starting from 1 April 2022. Premium rates are inclusive of 7% GST.

Yearly premiums are based on the insured's age at next birthday, and will increase when the insured reaches the next age band. Premium rates are non-guaranteed and may be reviewed from time to time.

¹ The last entry age is 75, based on the insured's age next birthday, when cover starts.

² Your MediShield Life premiums may differ depending on your premium subsidies, premium rebates and whether you need to pay for the Additional Premiums. The net MediShield Life premium payable after accounting for these is fully payable by Medisave.

³ This refers to the cash outlay if you are paying by Medisave (assuming you have sufficient monies in your Medisave account). If you are not paying by Medisave, your total cash outlay will be equal to MediShield Life Premiums + Premiums for Additional private insurance coverage. For example, for an insured aged 30 (at next birthday) buying IncomeShield Plan P, the total premium = \$250 + \$157 = \$407.
