DIRECT Star Term

IMPORTANT NOTES

- 1 The sum assured of the DIRECT Dread Disease Term must be equal to the sum assured of the basic policy that is, DIRECT Star Term (non-renewable) or the DIRECT Star Term (renewable).
- 2 This is a Direct Purchase Insurance (DPI) product, with no financial advice provided. You must visit any Income branches personally to purchase this plan or buy it online at www.income.com.sg. The product is not available for sale through all other distribution channels of Income. The maximum sum assured per insured for all DPI products, regardless of the number of policies purchased with Income, is \$400,000; with a maximum sub-limit of \$200,000 for Whole life DPI.
- 3 DIRECT Star Term pays out the sum assured in the event of death, terminal illness or total and permanent disability (TPD before age 65) during the term of the policy.
- 4 We will renew your policy at the end of each 5-year policy term at its prevailing sum assured only if there is no claim on your policy during its term and the insured is age 79 (last birthday) and below at the time the policy is due for renewal. The renewal premium will be determined by Income and is based on the policy term, sum assured and the age of the insured at the time the policy is renewed.
- 5 The full definition of each dread disease covered and the circumstances in which you can claim are stated in the policy contract. If the insured is diagnosed with a specified dread disease (except angioplasty and other invasive treatment for coronary artery) during the term of the rider, we will pay the sum assured. The DIRECT Star Term policy and this rider will end after this payment.
For angioplasty and other invasive treatment for coronary artery, we will pay 10% of the sum assured, subject to a maximum of \$25,000. We will only pay for this condition once under this benefit. After this payment, we will reduce the sum assured of this rider.
Any payment made under this rider will form an accelerated payment, and reduce the sum assured of its DIRECT Star Term (renewable or non-renewable) policy.
We will not pay this benefit if the insured was diagnosed with the disease within 90 days from the cover start date for major cancer, heart attack of specified severity, coronary artery by-pass surgery, or angioplasty and other invasive treatment for coronary artery. If this rider is attached to a DIRECT Star Term (renewable) policy and there is no claim (except angioplasty and other invasive treatment for coronary artery) on this rider during its term and when it ends, we will renew it for another five years at its prevailing sum assured. However, we will not renew this rider if the insured is 60 years and above at the time the rider is due for renewal. We will also not renew this rider beyond the premium term of its DIRECT Star Term (renewable) policy.

There are certain conditions whereby the benefits under the policy will not be payable. These are stated as exclusions in the policy contract. You are advised to read the policy contract for the full list of exclusions.

This is for general information only. You can find the usual terms, conditions and exclusions of this Direct Purchase Insurance (DPI) at www.income.com.sg/direct-star-term-renewable-policy-conditions.pdf, www.income.com.sg/direct-star-term-non-renewable-policy-conditions.pdf and www.income.com.sg/direct-dread-disease-term-policy-conditions.pdf. All our products are developed to benefit our customers but not all may be suitable for your specific needs. DPI may not be suitable for you if you are unsure about which type of DPI or how much coverage to buy as no financial advice is provided during the purchase process. In such a case, we strongly encourage you to seek advice from a qualified insurance advisor who will be able to advise you on a suitable product. Otherwise, you may end up buying a plan that does not meet your expectations or needs. As a result, you may not be able to afford the premiums or get the insurance protection you want. This policy does not have any cash value.
