

## Conditions for Gro Capital Ease Eco

### Your policy

This is a single-premium endowment plan that provides guaranteed benefits only.

This policy is issued subject to a limited tranche being offered for subscription of this single-premium endowment plan. **We** have the right to terminate this policy if there is oversubscription for the tranche, and refund any premium paid, without interest.

**We** will pay benefits if the insured becomes **totally and permanently disabled** (before the age of 70) or dies during the term of this policy.

If **we** do not pay out a claim during the term of this policy, **we** will pay a maturity benefit at the end of the policy term.

**You** may cash in this policy. However, this policy is designed to provide the best value by keeping it till maturity, so **you** should consider this carefully. **We** recommend that **you** get financial advice.

### 1 What your policy covers

#### a Total and permanent disability (TPD), and death benefit

If the insured becomes totally and permanently disabled (before the age of 70) or dies during the term of this policy, **we** will pay the benefit shown in this table. This policy will end when **we** make this payment.

Time the insured event happens	Benefit
Within one year from the <b>cover start date</b>	The <b>net single premium</b>
After one year from the <b>cover start date</b>	105% of the <b>net single premium</b>

#### b Maturity benefit

If the insured survives at the end of the policy term and this policy has not ended, **we** will pay the guaranteed maturity benefit at the end of the policy term. This policy will end when **we** make this payment.

### 2 Our responsibilities to you

#### a Cash value

**You** may cash in this policy for its **cash value** and it will end.

#### b Loans

**We** may grant the loan to **you** from this policy depending on **our** terms and conditions. **We** will take all loans and their interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

**You** may repay all or part of the loan at any time. The interest charged on the loan will be based on the rate agreed at the time **you** took the loan. **We** may change the interest rate at any time by giving **you** 30 days' notice.

### 3 What you need to be aware of

#### a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

**We** will refund the premiums paid, without interest, less any partial cash payout and any amount **you** owe **us**, from the **cover start date**.

#### b Total and permanent disability (TPD) benefit

Under the definition of **TPD**, if the insured is under 65 years old, he or she must be unable to carry out any occupation. **We** do not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

If the insured is 65 years old and above, but under 70 years old, he or she must be suffering from a **severe disability**. Otherwise, **we** will not pay the benefit.

However, if there is **total physical loss**, and the insured is under 70 years old, **we** will pay.

**We** will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

**We** will also not pay this benefit unless the insured is certified by a **registered medical**

**practitioner** to have been **totally and permanently disabled** for at least six months in a row.

If the insured is also covered for **TPD** under any policies which have been issued in the past (whether issued by **us** or by any other insurer), the total **TPD** benefit due under all these policies cannot be more than S\$6.5 million (including premiums waived due to **TPD** but excluding bonuses). In this case **we** will first take into account the amounts due under the earlier policies, and then pay out only an amount to bring the total payments to S\$6.5 million (including premiums waived due to **TPD** but excluding bonuses). The cover for death will be reduced by the **TPD** payment. **We** will work out the remaining cover.

#### c Making a claim

To make a claim for death benefit, **we** must be told within six months after the insured's death.

If this policy provides for accidental death or accidental TPD benefit, **we** must be told within thirty days after the insured's death or **TPD**. If **you** tell **us** after the thirty days, **we** will not pay the claim for accidental death or accidental TPD benefit.

To make a claim for other benefits, **we** must be told within six months after the diagnosis or the event giving rise to the claim. If **you** tell **us** after the six months, **we** will not pay the claim for the other benefits.

When **we** pay a claim, **we** will not refund any premiums that have been paid.

#### **d Refusing to pay a claim**

After **you** have been continuously covered for one year from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition** which **you** did not tell **us** about when **you** applied for this policy or rider if health declaration is required;
- **you** or the insured fail to tell **us** any significant information or information which is true, correct and complete which would have reasonably affected **our** decision to accept your application; or
- the claim is excluded or not covered under the terms of this policy or rider.

#### **e Transferring the legal right of this policy**

**You** cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

#### **f Excluding third-party rights**

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act 2001.

#### **g Supplementary Retirement Scheme (SRS)**

If premiums for this policy have been paid with funds from the SRS account, this policy will follow the SRS regulations, which include the following.

- **You** cannot take a loan from the policy or assign (transfer) the policy.

- **We** will make all payments, except the death benefit, to the policyholder's SRS account.
