**VALUATIONS AND EXITING FROM THIS INVESTMENT**

**HOW OFTEN ARE VALUATIONS AVAILABLE?**

The sub-fund is valued on every Business Day to determine the Unit price. All transactions for ILP are based on forward pricing. The prices of sub-funds are available on the Income Insurance’s website at [www.income.com.sg](http://www.income.com.sg).

**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

You can exit the sub-fund at any time by informing the insurer, either directly or through the financial adviser from whom you purchased the sub-fund.

If you do so within the cancellation period of 14 days from time of purchase, you may do so without incurring the sales charge and fees stated above. However, you will have to take the risk for any price changes in the NAV of the sub-fund since you purchased it.

You will receive the sale proceeds within 7 Business Days from the time the insurer receives your request to exit from the sub-fund.

Your exit price is determined as follows:

1. If you submit the redemption order before 3 pm on a Business Day, you will be paid a bid price based on the net asset value of the sub-fund at the close of that Business Day.
2. If you submit the redemption order after 3 pm, you will be paid a price bid based on the net asset value at the close of the next Business Day.

The sale proceeds that you will receive will be the exit price multiplied by the number of Units sold, less any charges as stated in the terms of the ILP, if applicable.

An example, assuming that redemption charge is not applicable, is as follows

|                     |   |                      |   |                     |
|---------------------|---|----------------------|---|---------------------|
| Exit price          | X | Number of Units sold | = | Gross Sale Proceeds |
| S\$1.250            | X | 1,000                | = | S\$1,250            |
| Gross Sale Proceeds | - | Redemption Charge    | = | Net Sale Proceeds   |
| S\$1,250            | - | S\$0.00              | = | S\$1,250            |

Depending on the ILP that you are investing in, a redemption charge may be applicable. Please refer to the Product Summary of the ILP for more details.

For further information, please refer to “Subscription of Units” and “Redemption of Units” of the Product Summary for ILP.
