The oldest you and your husband or wife can apply for this policy is age 55. The oldest your child can apply for the policy is age 15.

b) Sum Assured

You can choose the sum assured in multiples of \$10,000.

The maximum sum assured for you and your husband or wife is \$200,000 each (up to age 65), and \$100,000 each (age 66 to 70). The maximum sum assured for your child is \$200,000.

The sum assured for your husband or wife and child should not be higher than your sum assured unless your sum assured has been reduced by Income Insurance due to underwriting reasons. If you end your policy or is no longer a registered principal member of SAFRA, the cover for you, your husband or wife and child will end. The cover for your husband or wife will also end if you are separated or divorced from your husband or wife.

c) Premiums

The premiums that you pay are based on the sum assured and insured member's age next birthday. Premium rates will change when the insured member enters a higher age band. Premium rates are not guaranteed and may be reviewed from time to time. Please refer to Appendix 1 of the product summary for the premium rates.

d) Waiting Period

For critical illness benefit, we will not pay if the insured member has been diagnosed for the first time by a registered medical practitioner as suffering from major cancer, coronary artery bypass surgery, heart attack of specified severity, angioplasty and other invasive treatment for coronary artery and other serious coronary artery disease within 90 days from the start date or reinstatement date (if any) of the insured member's cover, whichever is later.

For the other remaining critical illnesses, we will not pay if the diagnosis for the first time by a registered medical practitioner is made within 30 days from the start date or reinstatement date (if any) of the insured member's cover, whichever is later.

e) Terms of Renewal

The policy will be renewed automatically for the same terms, conditions, exclusions, plan type and sum assured if there is no claim during the term of the policy and premium is paid.

f) Free-Look Period

You can cancel the insured member's cover by giving us a written request within 14 days from receiving the certificate of insurance. If you cancel the policy, we will refund any premiums paid, less any medical fees paid in assessing the risk under this policy. If we send the certificate of insurance by post, we assume it has been delivered and received in the ordinary course of the post, seven days after the date it is posted.

g) Grace Period

There is a 30 days grace period to pay the premiums due on your policy. During the grace period, the insured member's cover will stay in force. If the premiums are not paid after the grace period, the policy will automatically end on the day the grace period ends.

If any benefits are due to be paid during this period, we can take off any premiums that you owe from the benefit.

You are responsible for paying us all premiums due or amounts owed for the period before the end of the insured's cover even if the insured's cover has ended.

h) Reinstatement Period

If the policy ends because you have not paid the premium, you can reinstate it no later than 12 months after the cover has ended. This applies as long as you pay all the premiums due, you provide us satisfactory proof of the insured member's good health and insurability at the insured member's expense, confirm that the insured member is still eligible for the cover, there is no adverse material change in the risks covered and you agree to other terms and conditions we consider are necessary.

i) Cancellation Clause

- SAFRA or we end the master policy;
- the insured member stops being eligible for cover;
- we do not receive the premium for the insured member's cover;
- SAFRA or you end this policy;
- the insured member dies or becomes totally and permanently disabled as diagnosed by a registered medical practitioner, whichever applies; or
- unless we are due to pay only part of the benefit for critical illness, it will end on the date the insured member is diagnosed by a registered medical practitioner as suffering from any of the critical illnesses as shown in the list of critical illnesses in Appendix 3 of the Key Features and Benefits of Insurance Coverage.

This will apply when the earliest of these events happens.

Where the premiums are paid:

- monthly, the insured member will continue to be covered for the entire month for which the premiums had been paid;
- annually, the insured member will continue to be covered for the entire policy year for which the premiums had been paid,

and any additional premium paid in advance will be refunded.

There is no cash-in value available when the insured member's cover ends.
