Fund Manager

Income Insurance Limited is the Investment Manager of the sub-fund. Morgan Stanley Investment Management Company, MFS International Singapore Pte Ltd, and Wellington Management Singapore Pte Ltd are the Sub-Investment Managers of the sub-fund.

Income Insurance Limited (Income Insurance)

Income Insurance is one of the leading composite insurers in Singapore and regulated by Monetary Authority of Singapore. Established in 1970 as the only insurance co-operative in Singapore to plug a social need for insurance, Income Insurance is now a public non-listed company limited by shares, which continues to serve the protection, savings and investment needs of individuals, families and businesses today. As of 31 December 2023, Income Insurance had S\$41.68 billion in assets under management.

Morgan Stanley Investment Management Company (MSIM)

Morgan Stanley Investment Management offers a broad range of specialized solutions to a diverse client base that includes governments, institutions, corporations and individuals worldwide. Established in 1975 as a subsidiary of Morgan Stanley Group Inc., Morgan Stanley Investment Management has provided client-centric and risk management solutions to investors and institutions for more than 45 years. As of 31 December 2023, MSIM managed US\$1.5 trillion in assets for its clients. Morgan Stanley acquired Eaton Vance Corp. on 1 March 2021. As a result, the Eaton Vance companies, including Eaton Vance Management, Parametric Portfolio Associates, Calvert Research and Management and Atlanta Capital Management are affiliates of Morgan Stanley. MSIM Inc is regulated by the U.S. Security and Exchange Commission.

MFS International Singapore Pte Ltd (MFS)^

MFS International Singapore Pte Ltd is incorporated in Singapore and is authorised under a capital markets service license with the Monetary Authority of Singapore to provide fund management services. MFS has been managing pooled vehicles/investment funds and/or discretionary funds in Singapore since 1997. MFS Investment Management (parent company of MFS International Singapore Pte Ltd) was founded in 1924. Asset under management totalled \$598.6 billion as of 31 December 2023. MFS believes in active bottom-up research aimed at consistently identifying high-quality investments by focusing on companies that have potential to generate above-average and sustainable earnings. MFS has a global network of research analysts and portfolio managers based in Boston, Toronto, London, Luxembourg, Tokyo, Hong Kong, Sao Paulo, Singapore and Sydney.

Wellington Management Singapore Pte Ltd (WMS)

WMS is an affiliate of Wellington Management Company LLP (WMS, Wellington Management Company LLP and the other affiliates of Wellington Management Company LLP are collectively referred to as WMC) and regulated by Monetary Authority of Singapore. With US\$1.22 trillion in assets under management, WMC serves as an investment advisor to over 2,500 clients located in more than 60 countries, as of 31 December 2023. WMC's singular focus is investment — from global equities and fixed income to currencies and commodities. WMC describes themselves as a community of teams that create solutions designed to respond to specific client needs. WMC's most distinctive strength is their proprietary, independent research, which is shared across all areas of the organisation and used only for managing clients' portfolios. Tracing its roots to the founding of Wellington Fund in 1928, the firm has offices in Boston, Massachusetts; Chicago, Illinois; Radnor, Pennsylvania; San Francisco, California; Frankfurt; Hong Kong; London; Luxembourg; Madrid; Milan; Shanghai; Singapore; Sydney; Tokyo; Toronto and Zurich.

Risks

Key Risks

Income Insurance's ILP sub-funds are intended for long-term investment, it is not suited for any short-term speculation. You should not expect to obtain any short-term gains from investing in Income Insurance's ILP sub-funds. It is important that your investment suit your risk appetite. You may wish to consult your financial adviser before investing in any ILP sub-fund.

The securities and instruments in which the sub-fund may invest are subject to market fluctuations and other risks inherent in such investments and there can be no assurance that any appreciation in value will occur.

Global Equity Fund

Fund Summary
as of 22 October 2024

You should be aware that past performance is not indicative of future performance. The value of the units may rise or fall as the performance of the sub-fund changes.

The risk factors may cause you to lose some or all of your investments. A description of the major risks is provided below. This is not an exhaustive list of risks.

Market and Credit Risks

You are exposed to market risks. Prices of the securities held by the sub-fund may go up or down, sometimes rapidly or unpredictably. Securities may decline in value due to factors affecting securities markets generally or particular industries.

You are exposed to currency risks. Changes in exchange rates between currencies or the conversion from one currency to another may cause the value of a sub-fund's investments to diminish or increase. Currency exchange rates may fluctuate significantly over short periods of time.

You are exposed to greater market risks as this is an equity fund. Historically, equities have greater volatility than bonds and other fixed income securities. The sub-fund's valuation and the price at which you can exit may correspondingly fluctuate more strongly on a day-to-day basis compared to sub-funds investing in bonds and other fixed income securities.

Liquidity Risks

You are exposed to liquidity risks. There is no secondary market for the sub-fund. All redemption requests should be made to the Manager.

Product-Specific Risks

You are exposed to derivatives risks. The sub-fund may invest in derivatives instruments including futures, options, forwards, swaps or credit derivatives for purposes of hedging and/or efficient portfolio management. Derivatives involve risks different from, and, in some cases, greater than, the risks presented by more traditional securities investments. The usage of derivatives may negatively impact the value of the sub-fund.

The global exposure of the sub-fund to financial derivatives or embedded financial derivatives will be calculated using the commitment approach and in accordance with provisions of the Code on Collective Investment Schemes. The Manager will ensure that the risk management and compliance procedures are adequate and have been or will be implemented and that it has the necessary expertise to manage the risks relating to the use of financial derivatives.

Expense and Turnover Ratio

	Expense Ratio	Turnover Ratio
As of 31 December 2023	1.30%	41.88%
As of 31 December 2022	1.28%	95.30%

Expense ratio does not include (where applicable) charges for insurance coverage, brokerage and other transaction costs, performance fee, foreign exchange gains or losses, front or back end loads arising from the purchase or sale of collective investment schemes and tax deducted at source or arising out of income received.

Soft Dollar Commission or Arrangement

Income Insurance

The Manager does not retain for its own account, cash or commission rebates arising out of transactions executed in or outside Singapore. The Manager also does not receive soft dollars for the sub-fund.

Morgan Stanley

Research received by MSIM Limited from 3 January 2018 (other than research that qualifies as a minor non-monetary benefit) will be paid for out of its own resources. MSIM must take all sufficient steps to obtain the best possible results for its Clients when placing orders as part of MSIM's portfolio management service in compliance with its contractual or agency obligation to act in accordance with the best interests of the Client taking into account the Relevant Factors (as defined below).

When effecting transactions for its Clients, MSIM takes into consideration a number of factors (together referred to as the "Relevant Factors") including, but not limited to:

- price/spread
- cost of execution
- speed and likelihood of execution
- order size
- nature of the order
- broker or counterparty selection
- availability of liquidity
- likelihood of settlement
- market impact of the transaction
- MSIM's operational costs
- any other considerations that MSIM deems relevant to the transaction

Wellington

The Managers did not retain for its own account cash or commission rebates arising out of transactions executed in or outside Singapore. Soft dollar commission/arrangement has been received/entered into by the Sub-Investment Manager in respect of the ILP. The soft dollar commission/arrangement relates essentially to research services used for and in support of the investment process. The Sub-Investment Manager did not accept or enter into soft dollar commission/arrangement unless such commission/arrangement would reasonably assist the Sub-Investment Manager in the management of the ILP and the trades were executed on a best execution basis. The Sub-Investment Manager took all reasonable steps to obtain the best possible result of the ILP, taking into account the following execution factors, including but not limited to, price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to the execution of a trade or transaction, and there was no churning of trades.

MFS International

MFS will pay for external research for all accounts beginning January 3, 2018. Income Insurance's portfolios which are managed by MFS are under the scope of Markets in Financial Instruments Directive (MiFID) where execution only rates are paid for the trades. There are no soft dollars associated with the trades.
