

Income Global Sustainable Fund

Monthly Fund Factsheet
as of 30 September 2025

Investment Objective

To provide long-term capital growth and income by investing primarily in a portfolio of income generating securities with positive environmental or social (“E/S”) characteristics globally and through the use of derivatives.

Securities with positive E/S characteristics from issuers are those that the Investment Manager believes show effective governance and superior management of environmental and social issues (sustainable characteristics).

Investment Scope

The sub-fund aims to achieve the objective by investing all or substantially all of its assets in the JPMorgan Investment Funds - Global Income ESG Fund A (mth) – SGD (hedged) (“underlying fund”). The underlying fund primarily invests in income generating securities with positive E/S characteristics comprised of debt securities, equities and real estate investment trusts from issuers anywhere in the world, including emerging markets.

The underlying fund intends to use derivatives to achieve its investment objective by employing derivatives instruments for investment purposes, hedging or efficient portfolio management.

The sub-fund is denominated in Singapore Dollars.
