

## Conditions for DIRECT Star Term (non-renewable)

### Your policy

This is an insurance protection plan that provides coverage for a limited period of time.

**We** will pay benefits if the insured becomes **totally and permanently disabled** (before the age of 65), becomes **terminally ill**, or dies, during the term of the policy.

**You** cannot cash in this policy.

### 1 What your policy covers

If the insured becomes **totally and permanently disabled** (before the age of 65), becomes **terminally ill**, or dies, during the term of the policy, **we** will pay the sum assured.

The policy will end when **we** make this payment.

### 2 Our responsibilities to you

The policy term will give details of how long this policy applies for. The policy will end at the end of this policy term.

If **you** decide to reduce your sum assured to reduce the premiums **you** pay, **we** will only reduce it to an amount no less than S\$50,000. If this policy has an attaching rider, **we** will also reduce its sum assured, so that the sum assureds of both policy and rider are the same.

### 3 Your responsibilities

**You** will pay your first premium at the time **you** apply for this policy. **You** will then pay future premiums when they are due. **You** will have 30 days as a period of grace to make these payments for this policy to continue. If **we** are due to pay any benefits during this period, **we** will take off any unpaid premiums from the benefits.

If **you** still have not paid the premium after the period of grace, this policy and its rider (if any) will end.

If this policy and its riders (if any) end because **you** have not paid the premium, **you** can reinstate this policy and its riders (if any) within 36 months by paying the premiums **you** owe along with interest. This applies as long as **you** give **us** satisfactory proof of the insured's good health and there is no change in the risks covered by this policy. However, if **we** do not ask for the insured's health declaration or medical checks at the time of application, then **you** need not give **us** satisfactory proof of the insured's good health.

If **you** cancel this policy and its riders (if any) before the next premium is due, **we** will end this policy and its riders (if any) from the next premium due date and **we** will not refund any unused premium.

## 4 What you need to be aware of

### a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

**We** will refund the total premiums paid, without interest, less any amounts **we** have paid **you**, and any amount **you** owe **us**, from the **cover start date**.

### b Total and permanent disability benefit

Under the definition of **total and permanent disability (TPD)**, if the insured is under 65 years old, he or she must be unable to carry out any occupation. **We** do not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

**We** will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

**We** will also not pay this benefit unless the insured is certified by a **registered medical practitioner** to have been **totally and permanently disabled** for at least six months in a row.

If the insured is also covered for **TPD** under any policies which have been issued in the past (whether issued by **us** or by any other insurer), the total **TPD** benefit due under all these policies cannot be more than S\$6.5 million (including premiums waived due to **TPD** but excluding bonuses). In this case **we** will first take into account the amounts due under the earlier policies, and then pay out only an amount to bring the total payments to S\$6.5 million (including premiums waived due to **TPD** but excluding bonuses). The cover for death or **terminal illness** will be reduced by the **TPD** payment, and this remaining cover will continue as long as **you** pay premiums on it. **We** will work out the remaining cover and the reduced premium **you** will need to pay for this remaining cover.

### c Terminal illness benefit

**We** will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

### d Effects of an accelerated payment

When **we** make an **accelerated payment** on a rider that is attached to this policy, **we** will reduce the sum assured of this policy by the same amount that **we** pay under the rider. **We** will work out any future premiums or claims based on the reduced sum assured, as long as the sum assured does not reach zero. The policy will end when the sum assured reaches zero.

## e Making a claim

To make a claim for death benefit, **we** must be told within six months after the insured's death.

If this policy provides for accidental death or accidental **total and permanent (TPD)** benefit, **we** must be told within thirty days after the insured's death or **TPD**. If **you** tell **us** after the thirty days, **we** will not pay the claim for accidental death or accidental **TPD** benefit.

To make a claim for other benefits, **we** must be told within six months after the diagnosis or the event giving rise to the claim. If **you** tell **us** after the six months, **we** will not pay the claim for the other benefits.

When **we** pay a claim, **we** will not refund any premiums that have been paid.

## f Refusing to pay a claim

After **you** have been continuously covered for one year from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition** which **you** did not tell **us** about when **you** applied for this policy or rider if health declaration is required;
- **you** or the insured fail to tell **us** any significant information or information which is true, correct and complete which would have reasonably affected **our** decision to accept your application; or
- the claim is excluded or not covered under the terms of this policy or rider.

## g Transferring the legal right of the policy

**You** cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

## h Excluding third-party rights

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act 2001.
