Product summary – Enhanced IncomeShield Plan

Product information

Enhanced IncomeShield Plan

This is a hospital and surgical plan that helps you reduce the financial burden on your family if you, or your family members who are covered, have to stay in hospital. Depending on the plan you have chosen, we will pay the reasonable expenses for the insured person's necessary medical treatment according to the limits of compensation set out in the benefits schedule below.

Integration with MediShield Life

If the insured person is a Singapore citizen or a Singapore permanent resident, the insured person will be jointly insured under MediShield Life which is run by the Central Provident Fund Board and governed by the Central Provident Fund Act 1953 and the MediShield Life Scheme Act 2015 and any subsidiary legislation made under such acts (the "act and regulations"). Upon renunciation of your Singapore citizenship or Singapore permanent resident status, your policy will continue as a non-integrated plan.

Comparison of Benefits between MediShield Life and Enhanced IncomeShield Plan

An Enhanced IncomeShield Plan policy is made up of two parts – a MediShield Life portion provided by the Central Provident Fund Board (CPF Board) and an additional private insurance coverage portion provided by Income. The full Enhanced IncomeShield Plan premium comprises the MediShield Life premium and your Enhanced IncomeShield Plan's additional coverage premium.

In the event of hospitalisation/medical treatment, your final payout will comprise the MediShield Life payout and the Enhanced IncomeShield Plan coverage payout. For example,

- if the payout computed based on the full Enhanced IncomeShield Plan benefits is \$2,000, and the payout based on MediShield Life benefits is \$500, the policyholder will receive \$2,000, which comprises \$500 from the MediShield Life payout, and \$1,500 from the Enhanced IncomeShield Plan additional coverage payout.
- in the case where the payout based on MediShield Life benefits is higher than that from the Enhanced IncomeShield Plan benefits, the eventual payout will be based on the MediShield Life benefits.

What you will need to pay

You may use your MediSave to pay the yearly premium for the Enhanced IncomeShield Plan. If the insured is a Singapore citizen or Singapore permanent resident, the MediShield Life portion of the premium is fully payable by MediSave. For the remaining portion of the premium for additional private insurance coverage, the amount that can be paid by MediSave is subject to the Additional Withdrawal Limits (AWLs). If the insured is a foreigner whose plan does not have a MediShield Life component, the MediSave Withdrawal Limits for the plan’s full premium is equivalent to the combined Standard MediShield Life premium amount and AWLs that can be used for Singapore citizens and Singapore permanent residents. The premium rate is based on the insured person’s age at their next birthday, and will increase when the insured person reaches the next age band. You will also need to pay the deductible and co-insurance parts of the medical expenses that is not covered by your Enhanced IncomeShield Plan.

Premium rates are inclusive of 7% GST.

Yearly premiums are based on the insured's age at next birthday, and will increase when the insured reaches the next age band. Premium rates are non-guaranteed and may be reviewed from time to time.

- ¹ The last entry age is 75, based on the insured's age next birthday.
- ² Your MediShield Life premiums may differ depending on your premium subsidies, premium rebates and whether you need to pay for the Additional Premiums. The net MediShield Life premium payable after accounting for these is fully payable by MediSave.
- ³ This refers to the cash outlay if you are paying by MediSave (assuming you have sufficient monies in your MediSave account). If you are not paying by MediSave, your total cash outlay will be equal to MediShield Life Premiums + Premiums for Additional private insurance coverage. For example, for an insured aged 30 (at next birthday) buying Enhanced IncomeShield Preferred Plan, the total premium = \$250 + \$215= \$465

Premium rates are inclusive of 7% GST.

Yearly premiums are based on the insured's age at next birthday, and will increase when the insured reaches the next age band. Premium rates are non-guaranteed and may be reviewed from time to time.

- ¹ The last entry age is 75, based on the insured's age next birthday.
- ² If you are paying for a foreigner whose plan does not have a MediShield Life portion, you can utilise an equivalent

amount of MediSave to pay for his/her premiums. However, please note that foreigners will not be allowed to use their sibling's MediSave to pay for premiums.

- ³ This refers to the cash outlay if you are paying by MediSave (assuming you have sufficient monies in your MediSave account). If you are not paying by MediSave, your total cash outlay will be equal to the Total Premiums. For example, for an insured aged 30 (at next birthday) buying Enhanced IncomeShield Preferred Plan, the total cash outlay will be \$465.

You can pay premiums for the main plan by MediSave, cash, cheque, credit card or GIRO.

The Total Distribution Cost of this product is 55.5% of the additional private insurance premium for the first year and 5.5% of the additional private insurance premiums for renewal years. Total Distribution Cost is each year's expected distribution-related costs, without interest. Such costs include cash payments in the form of commission, costs of benefits and services paid to the distribution channel. Please note that the Total Distribution Cost is not an additional cost to you; it has already been allowed for in calculating your premium.

The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your advisor if you have more questions.

Eligibility

The applicant must be aged 16 and above. Both applicant and insured must be a

- Singapore citizen;
- Singapore permanent resident; or
- foreigner who has an eligible valid pass with a foreign identification number (FIN).

Anyone who pays for, or is insured under IncomeShield Plan/IncomeShield Standard Plan/Enhanced IncomeShield Plan is not eligible for Additional Premium Support (APS) from the Government. *

If you are currently receiving APS to pay for your MediShield Life and/or CareShield Life premiums, and you choose to be insured under this IncomeShield Plan/IncomeShield Standard Plan/Enhanced IncomeShield Plan, you will stop receiving APS. This applies even if you are not the person paying for this IncomeShield Plan/IncomeShield Standard Plan/Enhanced IncomeShield Plan.

In addition, if you choose to be insured under this IncomeShield Plan/IncomeShield Standard Plan/Enhanced IncomeShield Plan, the person paying for IncomeShield Plan/IncomeShield Standard Plan/Enhanced IncomeShield Plan will stop receiving APS, if he or she is currently receiving APS.

* APS is for families who need assistance with MediShield Life and/or CareShield Life premiums, even after receiving premium subsidies and making use of MediSave to pay for these premiums.

Nationality

You must buy the Enhanced IncomeShield Plan based on the nationality or citizenship status of the insured person.

Foreigners who hold a long-term visit pass plus (LTVP+) may buy plans under the Singapore Permanent Resident (PR) category, but the plan will not be integrated with MediShield Life. Please attach a copy of the LTVP+ pass together with your application form.

Change of citizenship and residency status

You must tell us, as soon as possible, when the insured's citizenship or residency status changes in any way.

If the insured is, or becomes, a Singapore citizen or Singapore permanent resident, we can convert the existing plan to a MediSave-approved integrated Shield Plan.

If, at the time your policy is converted to our MediSave-approved integrated Shield plan, you have an existing MediSave-approved integrated Shield plan with another insurer, the policy with that insurer will end automatically as you can only be insured under one integrated Shield plan.

If the insured is no longer a Singapore citizen or Singapore permanent resident, we can convert the existing plan to a foreigner plan.

Citizenship factor

For insured who is not a Singapore citizen or Singapore permanent resident (is a foreigner) but is covered under the plan for a Singapore citizens, we will reduce the amount of each benefit we will pay to the percentages (citizenship factors) in the following table.

Plan type	Enhanced Basic
Percentage of benefit we will pay	80%

Using MediSave

Premium payments by MediSave are governed by the relevant MediSave regulations.

Pro-ration factor, deductible and co-insurance

If the insured is admitted into a ward and medical institution that is higher than what they are entitled to, we will only pay the percentage of the reasonable expenses for necessary medical treatment of the insured using the pro-ration factor which applies to the plan. The deductible is the part of the benefit you are claiming that you must pay first in each policy year before we will pay the benefit. The amount of deductible depends on the actual ward you are admitted to. The co-insurance is that percentage share that you need to pay after the deductible.

Start of cover

We will start the cover after we have approved your application, and full premium payment is received by Income. The start date of the plan will be shown in the Policy Certificate.

Pre-existing illness, disease or condition

Pre-existing illness, disease or condition means any illness, disease or condition:

- for which the insured asked for or received treatment, medication, advice or diagnosis (or which they ought to have asked for or received) before the start date or the last reinstatement date (if any), whichever is later;
- which was known to exist before the start date or the last reinstatement date (if any), whichever is later, whether or not the insured asked for treatment, medication, advice or diagnosis; or
- the conditions or symptoms of which existed before the start date or the last reinstatement date (if any), whichever is later, and would have led a reasonable and sensible person to get medical advice or treatment.

Terms of renewal

We will automatically renew the cover if you pay the premium within 60 days from the renewal date of the policy, based on the insured person's age on their next birthday.

Guaranteed renewal

We will renew the policy automatically every year. We guarantee to do this for life as long as the premium is paid at the current rate which applies; and the cover for the insured under the policy has not been ended.

Changing the terms and conditions

We may change the terms and conditions of the policy contract at any time by giving you at least 30 days' written notice to your last-known address.

Change in premium

The premium that you pay for the plan may change. We will give you at least 30 days' written notice of any change in premium to your last-known address. However, any change in the premium will apply to all policies within the same class of Enhanced IncomeShield Plan.

Changing the plan

If you ask to change the plan, we will tell you the start date of the new plan if we approve your request.

Upgrading or switching of plan

You can only have one Integrated Shield Plan. Once this policy commences, your previous Integrated Shield Plan (if any) will be automatically terminated. Where applicable, your health will be assessed by us. If you are not in good health, we may

- decline your application; or
- not provide you with certain benefits

If you are currently holding an Integrated Shield Plan with us and are upgrading your plan, you may not be given the enhanced benefits due to your existing medical conditions.

If you are currently holding an Integrated Shield Plan with another insurer and are switching to this plan with us, and you have existing medical conditions that are currently covered by the existing plan, you may lose coverage for your existing medical conditions.

Downgrading of plan

In the event that you cannot afford, or do not wish to continue paying the premiums for your Integrated Shield Plan, you can switch to a lower coverage but more affordable plan with us (if available), or cease your Integrated Shield Plan. If you are a Singapore citizen or Singapore permanent resident, regardless of your decision, you will continue to be covered by MediShield Life for life without any exclusion.

Free-look

We will give you 21 days from the time you receive the policy to decide whether you want to continue with it. If you do not want to continue you may write to us to cancel the policy and get a refund of your premium paid. We consider that the policy has been delivered (and received) seven days after we post it.

Cancellation

You may cancel the Enhanced IncomeShield Plan by giving us at least 30 days' written notice. If you are a Singapore citizen or Singapore permanent resident, even though you have terminated your Enhanced IncomeShield Plan, you will continue to be covered under MediShield Life, which is a basic healthcare insurance that helps to pay for large hospital bills and expensive outpatient treatments such as dialysis and chemotherapy. For more details, please visit www.medishieldlife.sg.

Ending the policy

All benefits will end when one of the following events happens, and we will not be legally responsible for any further payment under the policy.

- a After we received your written notice to cancel the policy and upon the cancellation date of the policy as determined by us.
- b We do not receive your premium after the period of grace.
- c The insured dies.
- d You fail or refuse to pay or refund any amount you owe us.
- e Fraud is identified.

- g You take out another MediSave-approved Integrated Shield Plan covering the insured.

Claims for pre-hospitalisation treatment and post-hospitalisation treatment must be sent to us within 120 days from the date the insured leaves hospital with the claim form, hospital discharge summary or medical report, original final bill (fully settled) and copy of settlement details from other insurers (if applicable).

Limit in each policy year

A limit in each policy year will apply to the Enhanced IncomeShield Plan. This is provided in the "Comparison of Benefits between MediShield Life and Enhanced IncomeShield Plan".

Other medical insurance or employee benefits

When making a claim, you must tell us about any other medical insurance policies or employee benefits of the insured person. If there are other medical insurance policies or employee benefits, you must claim first from those policies or benefits before claiming under the Enhanced IncomeShield Plan.

Product summary: Deluxe Care Rider

Product information

This is a rider that can be added to the Enhanced IncomeShield Plan (Preferred, Advantage and Basic plan). It can be taken up only if the insured person under this rider is covered under the Enhanced IncomeShield Plan (Preferred, Advantage and Basic plan).

Benefits we will pay

Co-payment

With this rider, you will have to make a co-payment, as shown in the table below. If the treatment is provided by our panel¹ or extended panel², we will apply a co-payment limit as shown in the table:

Types of Treatment	Co-payment
Treatment not provided by our panel ¹ or extended panel ²	5% of the benefits due under your policy
Treatment provided by our panel ¹ or extended panel ²	5% of the benefits due under your policy, up to a co-payment limit of \$3,000 for each policy year

¹ Panel or preferred partner means a registered medical practitioner, specialist, hospital or medical institution approved by us. The list of approved panels and preferred partners, which we may update from time to time, can be found at www.income.com.sg/specialist-panel. Our list of approved panels also includes all restructured hospitals, community hospitals and voluntary welfare organisations (VWO) dialysis centres.

² Extended panel means a registered medical practitioner or specialist approved by us to provide coverage on the benefits for this rider. The registered medical practitioner or specialist must not be on Income's panel or preferred partners lists and must meet other criteria including being on another Integrated Shield Plan provider's panel listing. The approved extended panel list, which we may update from time to time, can be found at www.income.com.sg/specialist-panel.

For pre-hospitalisation treatment, post-hospitalisation treatment or special benefits claim(s) (if it applies), we will not apply the co-payment limit if the treatment during the insured's stay in hospital is not provided by our panel¹ or extended panel².

For consultation fees, medicines, examinations or tests for the main outpatient hospital treatment claim that is covered under the policy, we will apply the co-payment limit only if the main outpatient hospital treatment is provided by our panel¹ or extended panel². For each claim that meets the limits on special benefits (if it applies) or the limit for each policy year of the policy, the co-payment for that claim will not be added towards the co-payment limit of \$3,000 for each policy year.

When the insured is under the care of more than one registered medical practitioner or specialist for their stay in hospital or the main outpatient hospital treatment under the policy, we will apply the co-payment limit as long as the main treating registered medical practitioner or specialist (shown in the hospital records as the principal doctor) is part of our panel¹ or extended panel².

Additional non-panel payment

If the treatment during the insured's stay in hospital is provided by a registered medical practitioner or specialist who is not from our panel¹ or is from the extended panel², you will have to make an additional non-panel payment of up to \$2,000 in each policy year for your claims for inpatient hospital treatment, pre-hospitalisation treatment, post-hospitalisation treatment or special benefits (if it applies). You must pay the co-payment followed by the additional non-panel payment. We will only pay the amount of your claim which is more than the total of the co-payment and the additional non-panel payment.

When there is more than one treating registered medical practitioner or specialist for the insured's stay in hospital, we will apply the additional non-panel payment as long as the main treating registered medical practitioner or specialist (shown in the hospital records as the principal doctor) is not from our panel¹ or is from the extended panel².

Extra bed benefit

If during the insured's stay in hospital their parent or guardian stays and shares the same room, we will refund up to \$80 for each day the parent or guardian stays. We will pay up to 10 days for each stay in hospital. This applies only if the insured is a child aged 18 or below during the stay in hospital.

The co-payment and additional non-panel payment of this rider does not apply to any claim for this benefit.

The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your advisor if you have more questions.

Deductible and co-insurance

While the rider is in force, there is no deductible or co-insurance due under the Enhanced IncomeShield Plan.

However, you must make the co-payment and additional non-panel payment (if it applies) before we pay any benefit. We will only pay the amount of your claim which is more than the co-payment and additional non-panel payment.

We will apply the co-payment followed by the additional non-panel payment (if it applies).

Product summary: Classic Care Rider

Product information

This is a rider that can be added to the Enhanced IncomeShield Plan (Preferred, Advantage and Basic plan). It can be taken up only if the insured person under this rider is covered under the Enhanced IncomeShield Plan (Preferred, Advantage and Basic plan).

Benefits we will pay

Co-payment

With this rider, you will have to make a co-payment, as shown in the table below. If the treatment is provided by our panel¹ or extended panel², we will apply a co-payment limit as shown in the table:

Types of Treatment	Co-payment
Treatment not provided by our panel ¹ or extended panel ²	10% of the benefits due under your policy
Treatment provided by our panel ¹ or extended panel ²	10% of the benefits due under your policy, up to a co-payment limit of \$3,000 for each policy year

¹ Panel or preferred partner means a registered medical practitioner, specialist, hospital or medical institution approved by us. The list of approved panels and preferred partners, which we may update from time to time, can be found at www.income.com.sg/specialist-panel. Our list of approved panels also includes all restructured hospitals, community hospitals and voluntary welfare organisations (VWO) dialysis centres.

² Extended panel means a registered medical practitioner or specialist approved by us to provide coverage on the benefits for this rider. The registered medical practitioner or specialist must not be on Income's panel or preferred partners lists and must meet other criteria including being on another Integrated Shield Plan provider's panel listing. The approved extended panel list, which we may update from time to time, can be found at www.income.com.sg/specialist-panel.

For pre-hospitalisation treatment, post-hospitalisation treatment or special benefits claim(s) (if it applies), we will not apply the co-payment limit if the treatment during the insured's stay in hospital is not provided by our panel¹ or extended panel².

For consultation fees, medicines, examinations or tests for the main outpatient hospital treatment claim that is covered under the policy, we will apply the co-payment limit only if the main outpatient hospital treatment is provided by our panel¹ or extended panel². For each claim that meets the limits on special benefits (if it applies) or the limit for each policy year of the policy, the co-payment for that claim will not be added towards the co-payment limit of \$3,000 for each policy year.

When the insured is under the care of more than one registered medical practitioner or specialist for their stay in hospital or the main outpatient hospital treatment under the policy, we will apply the co-payment limit as long as the main treating registered medical practitioner or specialist (shown in the hospital records as the principal doctor) is part of our panel¹ or extended panel².

Additional non-panel payment

If the treatment during the insured's stay in hospital is provided by a registered medical practitioner or specialist who is not from our panel¹ or is from the extended panel², you will have to make an additional non-panel payment of up to \$2,000 in each policy year for your claims for inpatient hospital treatment, pre-hospitalisation treatment, post-hospitalisation treatment or special benefits (if it applies). You must pay the co-payment followed by the additional non-panel payment. We will only pay the amount of your claim which is more than the total of the co-payment and the additional non-panel payment.

When there is more than one treating registered medical practitioner or specialist for the insured's stay in hospital, we will apply the additional non-panel payment as long as the main treating registered medical practitioner or specialist (shown in the hospital records as the principal doctor) is not from our panel¹ or is from the extended panel².

Extra bed benefit

If during the insured's stay in hospital their parent or guardian stays and shares the same room, we will refund up to \$80 for each day the parent or guardian stays. We will pay up to 10 days for each stay in hospital. This applies only if the insured is a child aged 18 or below during the stay in hospital.

The co-payment and additional non-panel payment of this rider does not apply to any claim for this benefit.

The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your advisor if you have more questions.

Deductible and co-insurance

While the rider is in force, there is no deductible or co-insurance due under the Enhanced IncomeShield Plan.

However, you must make the co-payment and additional non-panel payment (if it applies) before we pay any benefit. We will only pay the amount of your claim which is more than the co-payment and additional non-panel payment.

We will apply the co-payment followed by the additional non-panel payment (if it applies).

Start of Cover

We will start the cover after we have approved your application, and full premium payment is received by Income. The start date of the rider will be shown in the Rider Endorsement.

Terms of renewal

We will automatically renew the cover if you have paid the premium within 60 days from the renewal date of the rider, based on the insured's age on their next birthday.

Cancellation

You can cancel the rider by giving us at least 30 days' written notice. This will not affect the main policy.

Ending the rider

If the main policy is cancelled, ends or has lapsed for any reason, the rider will automatically and immediately end even if the period of grace for premium has not come to an end.

Changing the terms and conditions

We may change the premiums, benefits or cover or the terms and conditions of the policy contract at any time by giving you at least 30 days' written notice to your last-known address.

Exclusions

All exclusions under the main policy will also apply to the rider. You can refer to the Exclusions shown in the Product Summary for Enhanced IncomeShield Plan.

Claim

For Classic Care Rider, we will assess your claim based on the Claim documents submitted and obtained for the main policy. To claim for Extra bed benefit you have to submit a Claim form, Original final bill (fully settled) and Copy of settlement details from other insurers (if applicable).

Change in premium

You will need to pay the agreed premium to keep the rider in force. The premium that you pay for the rider may change. We will give you at least 30 days' written notice of any change to your last-known address.

Reinstatement

We can reinstate the rider when you have paid all premiums you owe and we give our written permission. When we reinstate the rider, we may add exclusions or charge extra premiums from the date of reinstatement if there is a change in the insured person's medical or physical condition.
