

Global Diverse Series-Managed

Monthly Fund Factsheet
as of 28 February 2022

Investment Objective

The sub-fund aims to provide investors with medium to long-term capital growth by investing globally in a diverse set of asset classes including equities, bonds and other asset classes that include but are not limited to property and commodities-related securities indirectly through CIS, ETFs and/or similar instruments.

Investment Scope

The sub-fund helps investors gain exposure to a broad range of asset classes by investing primarily in collective investment schemes (CIS) and/or exchange traded funds (ETFs), which in turn invest in quoted equities and equity-related securities, bonds and other fixed income securities in global markets. The sub-fund may also seek exposure to other asset classes, including but not limited to property and commodities-related securities indirectly through CIS, ETFs and/or similar instruments.
