With our optional Specific Items Covered at Full Value⁵ benefit, your precious possessions of high value can be protected up to their full value.

Your prized possessions such as jewellery, watches, or personal collections in your home may be worth a higher value. We want to help you protect your prized possessions up to their full value against unexpected loss or damage.

With this optional benefit, you can specifically insure your home contents³ and personal belongings⁴ that exceed the maximum coverage limits under the Home Contents or Worldwide Personal Belongings cover to have them protected up to their full value.
