Product summary – Care Secure

Product information

Care Secure is an insurance plan which pays you a monthly sum for life if you become and continue to be disabled. It is designed to provide benefits to meet the needs of those who would like more comprehensive disability cover.

You can only buy Care Secure if you have an existing CareShield Life plan.

Benefits we will pay

1. Disability benefit

If you become and continue to be disabled, we will pay a monthly disability benefit for life, as shown in Table 1 below.

Table 1

Disability Status	Benefit
Moderately disabled	100% of disability benefit
Severely disabled	100% of disability benefit less the CareShield Life benefit that applies to you

Disability means moderate disability or severe disability, as appropriate. Disabled means having a moderate disability or severe disability.

Moderate disability or moderately disabled means your inability to perform two of the following activities of daily living (ADL), which means requiring significant assistance from another person throughout the entire activity.

Severe disability or severely disabled means your inability to perform at least three of the following activities of daily living (ADL), which means requiring significant assistance from another person throughout the entire activity.

Activities of daily living (ADL)

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash by other means.
- Dressing – the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical or medical appliances.
- Feeding – the ability to feed oneself food after it has been prepared and made available.
- Toileting – the ability to use the lavatory or manage bowel and bladder function through the use of protective undergarments or surgical appliances if appropriate.
- Walking or moving around – the ability to move indoors from room to room on level surfaces.
- Transferring – the ability to move from a bed to an upright chair or wheelchair, and vice versa.

When we have approved the claim, we will pay the first payment of monthly disability benefit on the day immediately after the deferment period. We will then pay it on the same day every month. If we do not approve the claim until after the deferment period, the first payment of the monthly disability benefit will be treated as due from the day immediately after the deferment period. If you recover from the disability but become disabled

again, you are entitled to further payment of this benefit.

If you are receiving CareShield Life benefit, we will automatically consider you to be severely disabled. CareShield Life means a severe disability insurance product administered by the Government and governed by the Relevant Act.

To avoid doubt, if you become severely disabled, we will still pay the disability benefit less the CareShield Life benefit that applies to you, even if your CareShield Life plan had ended, as long as you have a Basic ElderShield plan and your Care Secure policy has not ended.

2. Support benefit

If you become and continue to be disabled, we pay the support benefit shown in Table 2 below.

Table 2

Disability Status	Benefit
Moderately disabled	300% of disability benefit
Severely disabled	600% of disability benefit

We will pay the support benefit immediately after the deferment period. The maximum support benefit we will pay is 600% of the disability benefit. If you become moderately disabled and then recover, you can only make another claim for the remaining amount of support benefit if you later become severely disabled.

3. Dependant benefit

If you have at least one dependant and you become disabled, we pay the dependant benefit, which is 25% of your disability benefit, every month for up to 36 months in your lifetime. This benefit depends on the following conditions.

- If you recover from the disability and you have not fully used the amount under this benefit, you may make another claim for the remaining amount if you become disabled again as long as we have not paid for more than 36 months in your lifetime.
- If the child is no longer considered a child (because of their age or otherwise) at any time after we have begun paying this benefit, we will continue to pay this benefit until your death or you recover from the disability. The payment will then end.

We only have to start paying the dependant benefit after the deferment period.

4. Death benefit

We pay the death benefit, which is 300% of the disability benefit, if you die during the term of your policy and while receiving the disability benefit.

Care Secure – yearly premium rates (\$\$, Premiums include GST.)

The Total Distribution Cost of this product is 100.80% of the premium for the first year, 38.08% of the premium for the second year and 4.62% of the premiums for the third year. Total Distribution Cost is each year's expected distribution-related costs, without interest. Such costs include cash payments in the form of commission, costs of benefits and services paid to the distribution channel. Please note that the Total Distribution Cost is not an additional cost to you; it has already been allowed for in calculating your premium.

The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your advisor if you have more questions.

Lifetime cover

We guarantee to provide cover under your policy for your lifetime. We will not end your policy for any reason other than those shown in the clause on ending the policy.

Premium

The premium that you have to pay us to receive the benefits is shown in the premium rates table. You must pay the premium every year up to the age shown in the premium rates table. The premium shown does not include your CareShield Life premium.

You may choose to pay the premium using a MediSave account, up to a limit of \$600 per calendar year per insured person, according to the Relevant Act, or in cash. Relevant Act means the Central Provident Fund Act 1953 or CareShield Life and Long-Term Care Act 2019, and subsidiary legislations as amended, extended or re-enacted from time to time.

You may pay the premium or any part of it using cash if the premium due is more than the maximum amount allowed to be deducted from your MediSave account or there are not enough funds in your MediSave account to pay the premium due.

The premium is based on the insured's entry age at last birthday. The premium rates are non-guaranteed and the premium that you pay for your policy can change. If we change the premium for your policy, we will notify you at least 30 days before the change is to take place.

Anyone who pays for, or is insured under PrimeShield/Care Secure is not eligible for Additional Premium Support (APS) from the Government. *

If you are currently receiving APS to pay for your MediShield Life and/or CareShield Life premiums, and you choose to be insured under this PrimeShield/Care Secure, you will stop receiving APS. This applies even if you are not the person paying for this PrimeShield/Care Secure. In addition, if you choose to be insured under this PrimeShield/Care Secure, the person paying for PrimeShield/Care Secure will stop receiving APS, if he or she is currently receiving APS.

* APS is for families who need assistance with MediShield Life and/or CareShield Life premiums, even after receiving premium subsidies and making use of MediSave to pay for these premiums.

Waiver of premium

If, on the date when the premium is due, you are disabled and eligible to receive benefit payments under your policy, you do not have to pay the premium. You will have to start paying premiums again after you are no longer disabled and benefit payments have ended.

Non-forfeiture (not cancelling this policy)

After you have made a minimum number of premium payments, we will treat your policy as a paid-up policy and if you fail to pay a premium, we will not automatically cancel your policy. Instead, we will reduce the benefits and we will only pay reduced benefits. We will decide on the minimum number of premium payments you will need to make,

and the level of reduced benefits, and tell you what these are.

Exclusions

There are certain conditions whereby the benefits under this plan will not be payable. These are stated as exclusions in the contract. You are advised to read the policy contract for the full list of exclusions.

Your policy does not cover any disability arising directly or indirectly from:

- deliberately injuring yourself or attempted suicide, whether you are sane or insane;
- war, whether declared or not; or
- alcoholism or drug addiction.

Your policy does not cover any claim if it's excluded or not permitted by the Relevant Act or any government advisory or guidelines. Relevant Act means the Central Provident Fund Act 1953 or CareShield Life and Long-Term Care Act 2019, and subsidiary legislations as amended, extended or re-enacted from time to time.

We do not pay any benefit for pre-existing disability arising from pre-existing conditions unless you have told us about the pre-existing conditions and we have accepted them before the start date.

Your policy will end if you commit suicide within one year from the start date or reinstatement date, whichever is later. We will refund the premiums paid, without interest and less any amount you owe us, from the start date or reinstatement date, whichever is later.

Claims

To claim under your policy, you must send us a completed claim form. A certification by an approved assessor under the Relevant Act that you are suffering from disability must also be sent to us. You will have to pay the costs and expenses of the first medical examination. We will refund you the costs and expenses of the first medical examination if we accept your claim. If the approved assessor states on the claim form that you need further examination, we will pay the costs and expenses of a further medical examination. We may also ask you to have a further medical examination which we will pay for. If we cannot assess your claim, we may withhold benefit payments until we receive more evidence.

Waiting period

During the waiting period, we do not pay any claim except claims resulting from an accident. If you become disabled during the waiting period (other than due to an accident), your policy will end and you will receive a full refund of your premium. Waiting period means the first 90 days from the start date or reinstatement date, whichever is later.

Deferment period

Deferment period means the 90-day period from the claim date (inclusive). We will pay the first benefit payment immediately after the deferment period. We treat the claim date as the date on which the claim form for your policy is certified by an approved assessor under the Relevant Act.

If you have recovered from a disability but become disabled again from the same cause within 180 days, we will not enforce the deferment period for the new claim. If you suffer disability arising from the same cause after the 180-day period, or suffer a disability arising from a different cause, the deferment period of 90 days applies for the new claim.

Guaranteed renewable

We guarantee to renew your policy every year as long as none of the events in the clause on ending your policy happen.

Termination

You may terminate your policy by giving us written notice. Your policy will end on the day before the next renewal date for your policy, and we will not refund any premium.

Ending your policy

Your policy will end when any one of the following happens.

- Unless non-forfeiture applies to you, we have not received your premium or shortfall in premium by the end of the grace period of 75 days.
- Upon your death.
- Unless non-forfeiture applies to you, you give us written notice to end your policy. (Your policy will end on the day before the next renewal date for your policy, and we will not refund any premium.)
- You give us written notice, during the free-look period, to end your policy. (Your policy will end and you will receive a full refund of your premium, less any medical and other expenses we spent to consider your application.)
- Your CareShield Life plan ends and you do not have a Basic ElderShield plan. (If your CareShield Life plan is reinstated or you are covered under a Basic ElderShield plan, your policy will not end.)
- You become disabled during the waiting period (other than due to an accident).
- We find out that you did not tell us about any pre-existing disability, pre-existing serious, chronic medical condition or provided us incorrect material information.
- We discover fraud.
- You commit suicide within one year from the start date or reinstatement date, whichever is later.

Reinstatement

If your policy ends because you have not paid the premium due or shortfall in premium, you may apply to reinstate your policy within 180 days from the end of the grace period. The policy will be reinstated depending on the following conditions.

- You give evidence that you can be insured which we must be satisfied with. You must pay any costs involved in doing this.
- You must pay all premiums and any interest you owe up to the reinstatement date before your policy is reinstated.

Free-look period

You will have 60 days from the date you receive the policy documents to be sure that you want to keep the policy. If we deliver the policy by email or any other electronic means to you, the 60 days will start 7 days after the date of delivery. If we deliver the policy both by post and email or any other electronic means to you, the 60 days will start 7 days after the date of delivery by post.

During this time, if you choose to cancel the policy, we will refund you the premiums you have paid, less any medical fees and other expenses such as payments for medical check-ups and medical reports incurred by us.

Changes to policy terms or conditions

We may change the benefits, terms, conditions or name of your policy at any time. However, we will write to you at

your last known address at least 30 days before doing so. The change will take effect from the next renewal date. For changes to the benefits, terms and conditions of your policy that are required by the Relevant Act or by government advice or guidelines, we will make the changes within the timescale required by the Relevant Act or the government advice or guidelines, and we may do so without giving you written notice.

No cash-in value

This policy has no cash-in value.
