Important Notes:

A CPF member below age 55 may seek exemption from setting aside a Retirement Sum if the annuity policies provide a monthly income for retirement.

A CPF member age 55 and above may seek exemption from setting aside a Retirement Sum if the annuity policies satisfy the following conditions:

1. The monthly annuity payment to the CPF member must be for life and will only cease upon the death of the CPF member.
2. The monthly annuity payment must commence at age no later than the draw down age (i.e. 62, 63, 64 and 65).
3. The insurer is agreeable to add the following terms to the policy:
 - i. Where the annuitant cancels the annuity policy for its cash surrender value the insurer shall transfer all the money representing the surrender value of the annuity or an amount equal to the value of the Retirement Sum plus accrued interest as determined by the CPF Board (CPF Board), to the annuitant’s Retirement Account CPF Board.
 - ii. Where a loan of the cash surrender value of the policy is granted to the annuitant, CPF Board shall have a first charge on the policy to secure the refund of an amount equal to the Retirement Sum plus accrued interests as determined by the CPF Board to the annuitant’s Retirement Account. The insurer shall not be entitled to use part or all of any annuity payment falling due to repay the outstanding loan.
4. If the monthly annuity payment is equal to or more than the CPF member’s cohort Retirement Sum monthly payment, full exemption can be granted. If not, the CPF member will have to set aside a reduced Retirement Sum, in the form of cash or property pledge or both or as determined by CPF Board.

CPF members who wish to seek exemption for RSS are required to bring their policy document to CPF Board for approval. If the request is approved, CPF Board will write to the insurer to pass endorsement on the annuity policy.

Where no natural person or persons are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official.
Controlling Person(s)	Controlling Persons are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity (“Passive NFE”) then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust. Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust. In the case of a legal arrangement other than a trust, “Controlling Person(s) means persons in equivalent or similar positions.
Reportable Account	The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.
Reportable Jurisdiction	A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.
Reportable Person	A Reportable Person is an individual (or entity) that is tax resident in a Reportable Jurisdiction under the laws of that jurisdiction. The Account Holder will normally be the “Reportable Person”; however, in the case of an Account Holder that is a Passive NFE, a Reportable Person also includes any Controlling Persons who are tax resident in a Reportable Jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.
TIN (including “functional equivalent”)	The term “TIN” means Tax Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
