Conditions for Gro Goal Saver

Your policy

This is a regular-premium endowment plan. Its value will increase by **us** adding regular bonuses. **We** will pay a maturity benefit at the end of the policy term.

If the insured becomes **totally and permanently disabled** (before the age of 70) or dies during the term of the policy, **we** will pay a lump-sum benefit instead.

You may cash in this policy. However, this policy is designed to provide the best value in the long term, so **you** should consider this carefully. **We** recommend that **you** get financial advice.

1 What your policy covers

a Total and permanent disability (TPD), and death benefit

If the insured becomes **totally and permanently disabled** (before the age of 70) or dies during the term of the policy, **we** will pay:

- 105% of all **net premiums** paid and 100% of bonuses; or
 - the **cash value**;
- whichever is higher.

We will take any policy loan and interest from the benefit amount **we** will pay.

The policy will end when **we** make this payment. **We** will not pay any further benefits.

b Accidental TPD and accidental death benefit

If the **TPD** or death before the age of 70 was a result of an **accident**, **we** will pay an additional 105% of all **net premiums**, on top of the **TPD** benefit or death benefit, as long as the insured was not taking part in a **restricted activity** at the time of the **accident**. If the insured was taking part in a **restricted activity** at the time of the **accident**, **we** will only pay an additional 63% of all **net premiums** on top of the **TPD** benefit or death benefit.

We will pay this benefit only if **TPD** or death happens within 365 days of the **accident**.

The policy will end when **we** make this payment. **We** will not pay any further benefits.

c Premium privilege

If the insured survives at the end of three years from the **policy entry date**, and if premiums for the policy have been paid for at least three years, the Premium privilege will begin. **You** will stop making premium payments on the policy for the remaining term of the policy.

d Maturity benefit

If the insured survives at the end of the policy term and the policy has not already ended, **we** will pay:

- 100% of the sum assured and 100% of bonuses; or
 - 100% of all **net premiums** paid and 100% of bonuses;
- whichever is higher.

We will take any policy loan and interest from the benefit amount **we** will pay.

The policy will end when **we** make this payment.

2 Our responsibilities to you

a Cash value and paid-up policy

You may choose to cash in this policy fully or partially. Your policy will end after **you** cash in the policy fully.

When **you** have been paying premiums for this policy for at least one year, **you** may cash in this policy for its **cash value**.

If **you** choose to cash in this policy partially, the sum assured after the partial cash payout cannot be less than the minimum sum assured limit or any other amount **we** may tell **you** about.

You can also convert this policy to a **paid-up** policy. This will reduce the sum assured and **you** will not pay any further premiums. **You** will keep any bonuses added to the policy before the date **you** convert it to a **paid-up** policy. Once **paid-up**, this policy is not eligible for future bonuses. **We** will also review and revise the benefits at the time the policy is converted to a **paid-up** policy. The insured will not be entitled to any **accidental** death and **accidental TPD** benefits under the **paid-up** policy.

We may review and revise the way **we** work out the **cash value** and the reduced sum assured.

b Loans

You may take a loan from this policy depending on **our** terms and conditions. **We** will take all loans and their interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

You may repay all or part of the loan at any time. The interest charged on the loan will be based on the rate agreed at the time **you** took out the loan. **We** may change the interest rate at any time by giving **you** 30 days' notice.

c Bonus

You have bought a participating policy from **us** and it forms part of the Life Participating Fund. This policy will share in the profits and losses from this fund, as **we** add bonuses. There are two types of bonuses.

- **We** add an 'annual' or 'reversionary' bonus to this policy each year. Once **we** have added an annual bonus, **we** cannot remove it.
- The 'terminal' or 'special' bonus is an extra bonus which **we** pay at the time of making a claim or if **you** cash in this policy.

These bonuses are not guaranteed. They are recommended by **our** appointed actuary and approved by **our** board of directors. This policy will become eligible for bonuses after two years from the **policy entry date**.

3 Your responsibilities

You will pay your first premium at the time **you** apply for the policy. **You** will then pay future premiums when they are due. **You** will have 30 days as a period of grace to make these payments for this policy to continue. If **we** are due to pay any benefits during this period, **we** will take off any unpaid premiums from the benefits.

If **you** still have not paid the premium after the period of grace, **we** will pay the premiums on your behalf so the policy and its riders can continue. **We** will only do this if the policy has

enough **cash value** to repay them. **We** treat this as a loan (called an automatic premium loan) and charge **you** interest. If there is not enough **cash value**, this policy will end.

We will take these loans and interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

If this policy ends because there is not enough **cash value**, **you** can reinstate it within 36 months by paying the premiums **you** owe along with interest. This applies as long as **you** give **us** satisfactory proof of the insured's good health and there is no change in the risks covered by this policy. However, if **we** do not ask for the insured's health declaration or medical checks at the time of application, then **you** need not give **us** satisfactory proof of the insured's good health.

4 What you need to be aware of

a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

We will refund the total premiums paid, without interest, less any payout and any amount **you** owe **us**, from the **cover start date**.

b TPD benefit

Under the definition of **TPD**, if the insured is under 65 years old, he or she must be unable to carry out any occupation. **We** do not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

If the insured is 65 years old and above, but under 70 years old, he or she must be suffering from a **severe disability**. Otherwise, **we** will not pay the benefit.

However, if there is **total physical loss**, and the insured is under 70 years old, **we** will pay.

We will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

We will also not pay this benefit unless the insured is certified by a **registered medical practitioner** to have been **totally and permanently disabled** for at least six months in a row.

If the insured is also covered for **TPD** under any policies which have been issued in the past (whether issued by **us** or by any other insurer), the total **TPD** benefit due under all these policies cannot be more than S\$6.5 million (not including bonuses). In this case **we** will first take into account the amounts due under the earlier policies, and then pay out only an amount to bring the total payments to S\$6.5 million (not including bonuses). The cover for death will be reduced by the **TPD** payment, and this remaining cover will continue as long as **you** pay premiums on it. **We** will work out the remaining cover and the reduced premium **you** will need to pay for this remaining cover.

c Accidental TPD, and accidental death benefit

We will not pay this additional **accidental** benefit if **accidental TPD** or **accidental** death is caused directly or indirectly by:

- deliberate acts such as self-inflicted injuries, suicide or attempted suicide;
- unlawful acts, provoked assault or deliberate exposure to danger;
- the effects of alcohol, drugs or any dependence;
- illnesses, psychological conditions or eating disorders;
- heat stroke;
- a bad reaction to drugs or medication;
- the effects of viruses (for example, dengue), bacteria or diseases;
- the negative effects or complications of medical and surgical care;
- treatments aimed at improving appearance, such as cosmetic surgery or any treatment relating to a previous cosmetic treatment;
- radiation or contamination from radioactivity;
- being in any aircraft, except as a fare-paying passenger in a commercial aircraft, or during military operations in peacetime;
- military, air force or naval operations, except when carried out in peacetime;
- warlike operations (whether war is declared or not), war, invasion, riot or any similar event;
- an **accident** which happens outside of Singapore, if the insured has been outside Singapore for more than 180 days in a row at the time of the **accident**; or
- an **act of terrorism**. However, **we** will pay S\$10,000 or 10% of all **net premiums** paid, whichever is lower, on top of the amount **we** pay for **TPD** benefit or death benefit.

d Making a claim

To make a claim for **accidental** death or **accidental TPD** benefit, **we** must be told within 30 days after the insured's death or **TPD**.

For all other claims, **we** must be told within six months after the diagnosis or the event giving rise to the claim.

e Transferring the legal right of the policy

You cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

f Excluding third-party rights

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act (Chapter 53B).
