### **Key Product Provisions**

The following are some key provisions found in the Key Features and Benefits of Insurance Coverage of this plan. This is only a brief summary and you are advised to refer to the actual terms and conditions in the Key Features and Benefits of Insurance Coverage. You should consult a qualified adviser if you require further explanation.

#### **a) Eligibility**

You, your husband or wife and child must meet the following eligibility conditions:

- You are aged over 16 to below 70 and an employee of a corporatised organisation.
- Your husband or wife is aged over 16 to below 70 and must be legally married to you and not separated or divorced from you.
- Your child is aged over 12 months to below 25 years and must be your natural or legally adopted child.
- You, your husband or wife and child must be a Singaporean, Singapore Permanent Resident or foreigner who is working or residing in Singapore to apply for the policy.
- Your husband or wife and child will be eligible to apply for the policy only if you, as the main insured and an employee of a corporatised organisation, are covered under the plan.

The oldest you and your husband or wife can apply for this policy is age 65. The oldest your child can apply for this policy is age 17.

**b) Sum Assured**

You can choose the sum assured in multiples of \$10,000.

For term life coverage, the maximum sum assured for you and your husband or wife is \$300,000 each. The maximum sum assured for your child is \$100,000.

For critical illnesses coverage (optional rider), the maximum sum assured for you and your husband or wife is \$200,000 each. The maximum sum assured for your child is \$100,000.

The sum assured for your husband or wife and child should not be higher than your sum assured unless your sum assured has been reduced by Income Insurance due to underwriting reasons. If you end your policy or is no longer an employee of a corporatised organisation, the cover for you, your husband or wife and child will end. The cover for your husband or wife will also end if you are separated or divorced from your husband or wife.

The sum assured of an insured for critical illnesses coverage must not be more than the sum assured for term life coverage. The sum assured for your husband or wife and child for critical illnesses coverage must not be more than your sum assured for critical illnesses coverage unless your sum assured has been reduced by Income Insurance due to underwriting reasons.

**c) Premiums**

The premiums that you pay are based on the sum assured and insured's age next birthday. Premium rates will change when the insured enters a higher age band. Premium rates are not guaranteed and may be reviewed from time to time. Please refer to Appendix 1 of the product summary for the premium rates.

**d) Waiting Period**

For critical illness benefit, we will not pay if the insured has been diagnosed for the first time by a registered medical practitioner as suffering from major cancer, coronary artery bypass surgery, heart attack of specified severity, angioplasty and other invasive treatment for coronary artery and other serious coronary artery disease within 90 days from the start date or reinstatement date (if any) of the insured's cover, whichever is later.

For the other remaining critical illnesses, we will not pay if the diagnosis for the first time by a registered medical practitioner is made within 30 days from the start date or reinstatement date (if any) of the insured's cover, whichever is later.

**e) Terms of Renewal**

The policy will be renewed automatically at the same terms, conditions, exclusions and sum assured if there is no claim during the term of the policy and premium is paid.

**f) Free-Look Period**

You can cancel the insured's cover by giving us a written request within 14 days from receiving the certificate of insurance. If you cancel the policy, we will refund any premiums paid, less any medical fees paid in assessing the risk under this policy. If we send the certificate of insurance by post, we assume it has been delivered and received in the ordinary course of the post, seven days after the date it is posted.

**g) Grace Period**

There is a 30 days grace period to pay the premiums due on your policy. During the grace period, the insured's cover will stay in force. If the premiums are not paid after the grace period, the policy will automatically end on the day the grace period ends.

If any benefits are due to be paid during this period, we can take off any premiums that you owe from the benefit.

You are responsible for paying us all premiums due or amounts owed for the period before the end of the insured's cover even if the insured's cover has ended.

**h) Reinstatement Period**

If the policy ends because you have not paid the premium, you can reinstate it no later than 12 months after the cover has ended. This applies as long as you pay all the premiums due, you provide us satisfactory proof of the insured's good health and insurability at the insured's expense, confirm that the insured is still eligible for the cover, there is no adverse material change in the risks covered and you agree to other terms and conditions we consider are necessary.

**i) Cancellation Clause**

The insured's term life coverage ends if any of the following events happens:

- the master policyholder or we end the master policy;
- the insured stops being eligible for cover;
- you end your employment with the master policyholder;
- we do not receive the premium for the insured's cover;
- the master policyholder or you end this policy;
- the insured dies or becomes totally and permanently disabled as diagnosed by a registered medical practitioner, whichever applies;
- for claims for partial and permanent disability arising from one or more accidents, we have paid a minimum total amount of 100% of the sum assured; or
- the insured's contract term ends.

This will apply when the earliest of these events happens.

If you end your term life coverage, your husband or wife and child's term life coverage will also end.

The insured's critical illnesses coverage ends if any of the following events happens:

- the termination of the insured's term life coverage;
- we do not receive the premium for the insured's cover;
- the master policyholder or you end this policy;
- unless we are due to pay only part of the benefit for critical illness, it will end on the date the insured is diagnosed by a registered medical practitioner as suffering from any of the critical illnesses as shown in the list of critical illnesses in Appendix 3 of the Key Features and Benefits of Insurance Coverage.

This will apply when the earliest of these events happens.

To avoid any doubt, an insured's term life coverage will not end when the critical illnesses coverage ends.

At the end of the insured's cover, we will not refund the premiums paid for the month the cover ends.

There is no cash-in value available when the insured's cover ends.
