

# Asian Income Fund

Monthly Fund Factsheet  
as of 28 February 2025

## Investment Objective

The Asian Income Fund aims to provide income and capital growth over the medium- to longer-term by investing primarily in Asian equities (including real estate investment trusts) and Asian fixed income securities.

The sub-fund currently offers a monthly distribution pay-out feature. Distributions are not guaranteed and can be made out of the income, capital gains and/or capital of the sub-fund.

## Investment Scope

The sub-fund intends to achieve this objective by investing all or substantially all of its assets in Schroder International Opportunities Portfolio – Schroder Asian Income (“underlying fund”), in Class X Distribution, which is managed by Schroder Investment Management (Singapore) Ltd. The underlying fund will seek to achieve the investment objective primarily through investment in a portfolio of equity securities of Asian companies which offer attractive yields and sustainable dividend payments, and fixed income securities and other fixed or floating rate securities, of investment grade or below investment grade (at the time of or subsequent to acquisition), issued by governments, government agencies, supra-national and corporate issuers in Asia which offer attractive yields. The underlying fund may substantially invest in fixed income securities and debt securities which are below investment grade or unrated.

The sub-fund is denominated in Singapore Dollars.

## IMPORTANT NOTES

The Asian Income Fund is an Investment-Linked Plan (ILP) fund issued by Income Insurance Limited (Unique Entity Number No. 202135698W), an insurance company registered in Singapore and having its registered address office at 75 Bras Basah Road, Income Centre, Singapore 189557. The information in this fund factsheet is for informational use only. A product summary relating to the fund is available and may be obtained through Income. A potential investor should read the product summary before deciding whether to subscribe for units in the fund. Investments are subject to investment risks including the possible loss of the principal amount invested. Past performance, as well as the prediction, projection or forecast on the economy, securities markets or the economic trends of the markets targeted by the fund are not necessarily indicative of the future or likely performance of the fund. The fund returns are calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment. The performance of the fund is not guaranteed and the value of units in the fund and the income accruing to the units, if any, may fall or rise. Any opinion or estimate contained in this document is subject to change without notice.
