

PRODUCT SUMMARY**DIRECT Star Term (renewable) (TAN17)****1. Policy Description**

DIRECT Star Term (renewable) is a non-participating, regular premium term plan that provides coverage for a limited period of time. It provides protection against death, total and permanent disability (TPD before the age of 65), and terminal illness (TI) during the term of the policy. This policy cannot be cashed in.

It is available for entry ages 18 (last birthday) to 64 (last birthday), and can be renewed up to age 84 (last birthday).

The minimum and maximum sum assured are S\$50,000 and S\$400,000* respectively.

This is a Direct Purchase Insurance (DPI) product, with no financial advice provided. The product is not available for sale through all other distribution channels of Income Insurance Limited (Income Insurance).

*The maximum sum assured per insured for all DPI products, regardless of the number of policies purchased with Income Insurance, is S\$400,000; with a sub-limit of S\$200,000 for Whole life DPI.

2. Benefits**I. Death Benefit**

Upon death of the insured during the policy term, the sum assured will be paid.

The policy will end thereafter.

II. Total & Permanent Disability (TPD) Benefit

Upon diagnosis of the insured with TPD (before age 65) during the policy term, the sum assured will be paid.

The policy will end thereafter.

III. Terminal Illness (TI) Benefit

Upon diagnosis of the insured with TI during the policy term, the sum assured will be paid.

The policy will end thereafter.

When we make an accelerated payment on a rider that is attached to this policy, we will reduce the sum assured of this policy by the same amount that we pay under the rider.

We will work out any future premiums or claims based on the reduced sum assured, as long as the sum assured does not reach zero. The policy will end when the sum assured reaches zero.

Please refer to the policy contract for the exact terms and definitions of TPD and TI.

3. Premiums

Premiums are payable throughout the premium term. You can choose to pay monthly, quarterly, half-yearly or yearly. Premium rates are guaranteed throughout the policy term and applicable to standard lives.

Premium discount on large sum assured is applicable; and this has been taken into account in the calculation of the premiums payable in the policy illustration.

4. Renewability

At the end of each 5-year policy term, the policy would be renewed automatically for another 5 years. The policy can be renewed up to a maximum of age 84 (last birthday) at its prevailing sum assured, if there is no claim on this policy during the policy term.

We will work out the renewal premium based on the policy term, sum assured and the age of the insured at the time the policy is renewed. The policy will not be renewed if the insured is 80 years and above at the time the policy is due for renewal.

Policyholders can choose not to renew their term policies.

5. Riders

With additional premiums, you may attach available riders to enjoy extra protection.

All riders are subject to terms and conditions. For more information on these riders, please refer to the relevant product summaries of the riders.

6. Surrender Value and Policy Loan

There is no surrender or cash value available. As such, policy loan is not available under this policy.

7. Exclusions

Benefits of this policy are not payable under certain conditions, commonly known as exclusions. The categories of exclusions that are common to all life insurers relate to:

- (a) Suicide within one year (for Death Benefit)
- (b) Self-inflicted injury (for Total and Permanent Disability Benefit)

In addition to the above common categories of exclusions, Income Insurance may impose other exclusions.

All the exclusions for DIRECT Star Term (renewable) are listed as follows:

I. Death Benefit

This policy is not valid if the insured commits suicide within one year from the cover start date. We will refund the total premiums paid, without interest, less any amount we have paid you, and any amount you owe us, from the cover start date.

II. Terminal Illness (TI) Benefit

The TI benefit is not payable if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

III. Total and Permanent Disability (TPD) Benefit

Under the definition of total and permanent disability (TPD), if the insured is under 65 years old, he or she must be unable to carry out any occupation. The policy does not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

The TPD benefit is not payable if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

In addition, TPD benefit will not be paid unless the insured is certified by a registered medical practitioner to have been totally and permanently disabled for at least six months in a row.

If the insured is also covered for TPD under any policies which have been issued in the past (whether issued by us or by any other insurer), the total TPD benefit due under all these policies cannot be more than S\$6.5 million (including premiums waived due to TPD but excluding bonuses). In this case we will first take into account the amounts due under the earlier policies, and then pay out only an amount to bring the total payments to S\$6.5 million (including premiums waived due to TPD but excluding bonuses). The cover for death or terminal illness will be reduced by the TPD payment, and this remaining cover will continue as long as you pay premiums on it. We will work out the remaining cover and the reduced premium you will need to pay for this remaining cover.

IV. Other Conditions

After you have been continuously covered for one year from the cover start date, we will pay your claim unless:

- it is a case of fraud;
- you fail to pay a premium;
- the insured has a material pre-existing condition which you did not tell us about when you applied for this policy or rider if health declaration is required;
- you or the insured fail to tell us any significant information or information which is true, correct and complete which would have reasonably affected our decision to accept your application; or

- the claim is excluded or not covered under the terms of this policy or rider.

The definitions of the exclusions are stated in the policy contract. Please refer to the policy contract.

8. Free-Look

You will have 14 days from the date you receive the policy documents to be sure that you want to keep the policy. If we deliver the policy by email or any other electronic means to you, the 14 days will start 7 days after the date of the delivery. If we deliver the policy both by post and email or any other electronic means to you, the 14 days will start 7 days after the date of the delivery by post.

During this time, if you choose to cancel the policy, we will refund you the premiums you have paid, less any medical fees and other expenses such as payments for medical check-ups and medical reports incurred by us.

9. Grace Period

There is a 30 days grace period to pay the premiums due on your policy. If any benefits are due to be paid during this period, the unpaid premiums will be deducted from the benefits.

10. Lapse

If premiums are still not paid after the grace period, this policy and its riders (if any) will lapse.

11. Reinstatement Period

If this policy and its riders (if any) end because you have not paid the premium, you can reinstate this policy and its riders (if any) within 36 months by paying the premiums you owe along with interest. This applies as long as you give us satisfactory proof of the insured's good health and there is no change in the risks covered by this policy. However, if we do not ask for the insured's health declaration or medical checks at the time of application, then you need not give us satisfactory proof of the insured's good health.

12. Claim

To make a claim for death benefit, we must be told within six months after the insured's death.

If this policy provides for accidental death or accidental total and permanent disability (TPD) benefit, we must be told within thirty days after the insured's death or TPD. If you tell us after the thirty days, we will not pay the claim for accidental death or accidental TPD benefit.

To make a claim for other benefits, we must be told within six months after the diagnosis or the event giving rise to the claim. If you tell us after the six months, we will not pay the claim for the other benefits.

When we pay a claim, we will not refund any premiums that have been paid.

Please refer to our webpage for the claim procedures: income.com.sg/claims.

13. Termination

You may write in to terminate or surrender your policy any time. If you terminate or surrender this policy and its riders (if any) before the next premium is due, we will end this policy and its riders (if any) from the next premium due date and we will not refund any unused premium. Please refer to our webpage for the termination or surrender procedures: income.com.sg/claims/life-and-health-insurance/surrender-of-policies.

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Income Insurance or visit the GIA/LIA or SDIC web-sites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).
