

# Multi-Asset Premium Fund

Monthly Fund Factsheet  
as of 30 April 2020

## Investment Objective

To generate regular income and long-term capital appreciation for investors by investing into various asset classes.

## Investment Scope

The sub-fund aims to achieve the objective by investing all or substantially all of its assets in the Fullerton Premium Fund (“underlying fund”) Class C SGD distributing class. The underlying fund may invest in collective investment schemes, other investment funds, exchange traded funds, real estate investment trusts, listed and unlisted securities (including but not limited to equities, fixed income/debt securities and securitized/asset-backed instruments), alternative instruments (including but not limited to listed and OTC financial derivative instruments (“FDIs”)), money market instruments, cash deposits and other permissible investments as deemed appropriate to achieve its investment objective and asset allocation strategy.

The underlying fund may opportunistically allocate into private equities, commodities and other alternative investments for additional diversification.

The underlying fund may use FDIs for hedging, efficient portfolio management, optimising returns or a combination of all three objectives.

The sub-fund is denominated in Singapore Dollars.
