

# Asia Dynamic Return Fund

## Investment Objective

To generate regular income and long-term capital appreciation for investors by investing in equities, fixed income, cash and other permissible investments.

## Investment Scope

The sub-fund aims to achieve the objective by investing all or substantially all of its assets in the Fullerton Asia Income Return Fund (“underlying fund”) Class A SGD distributing class. The underlying fund may invest in collective investment schemes, other investment funds, exchange traded funds (“ETFs”), securities and/or hold cash, in accordance with its investment objective and asset allocation strategy, as the Manager of underlying fund deems appropriate.

The underlying fund may use financial derivative instruments (“FDIs”) (including, without limitation, treasury, bond or equities futures, interest rate swaps or foreign exchange forwards) for hedging, efficient portfolio management, optimising returns or a combination of all three objectives.

The sub-fund is denominated in Singapore Dollars.

### IMPORTANT NOTES

The Asia Dynamic Return Fund is an Investment-Linked Policy (ILP) sub-fund issued by NTUC Income Insurance Co-operative Limited (Unique Entity Number No. S97CS0162D), a co-operative society registered in Singapore and having its registered address office at 75 Bras Basah Road, Income Centre, Singapore 189557. The information in this fund summary is for informational use only. A product summary relating to the sub-fund is available and may be obtained through Income. A potential investor should read the product summary before deciding whether to subscribe for units in the sub-fund. Investments are subject to investment risks including the possible loss of the principal amount invested. The sub-fund shall comply with the investment guidelines as set out in the Code of Collective Investment Schemes, internal investment restrictions, relevant laws and regulations. Past performance, as well as the prediction, projection or forecast on the economy, securities markets or the economic trends of the markets targeted by the sub-fund are not necessarily indicative of the future or likely performance of the sub-fund. The sub-fund returns are calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment. The performance of the sub-fund is not guaranteed and the value of units in the sub-fund and the income accruing to the units, if any, may fall or rise. Any opinion or estimate contained in this document is subject to change without notice.
