

Checklist for withdrawal application For investment-linked policy

Dear policyholder

We understand that you would like to fully or partially withdraw your investment-linked policy. In order for us to process your withdrawal request, please read through this checklist and return us all the documents required.

Important notes

You would lose valuable benefits when you fully or partially withdraw the policy, and you may not be able to obtain similar levels of protection or returns on the same terms in the future. **We do not allow reinstatement of partial or full withdrawal of investment-linked policy.**

The date of Income's receipt of investment-linked withdrawal would be based on the date and time of submission. Any withdrawal submitted after 3.00pm (Singapore time) would be considered as the next business day's submission.

For policies bought with cash, any amount payable will be paid out to you by way of a cheque unless stated otherwise. For policies bought with funds from CPFSA or CPFOA or SRS, the refund would be made to CPF Board (for CPFSA cases) or your agent bank (for CPFOA and SRS cases) respectively. Upon receipt of the complete set of documents, we would proceed with the full or partial withdrawal of your policy and you will receive a statement on the withdrawal. Kindly contact us if you do not receive any statement on your full or partial withdrawal request. Redemption proceeds will be completed within seven business days from the receipt of the completed set of documents.

For application from overseas, we would require the form to be officially witnessed by a Notary Public in that country. Alternatively, you can submit surrender documents via our customer portal at <https://me.income.com.sg/> to waive the requirement for notarized documents.

We may request the payment recipient to submit the FATCA and CRS self-certification form for tax residency purposes.

If you have used this policy to be exempted from the CPF Board's Home Protection Scheme (HPS), the policy must remain in force and unchanged so that you and your family are protected from losing your HDB flat in the event of death, terminal illness or total permanent disability. If there are changes to the policy used for HPS exemption, your exemption would be voided and you would be required to reapply for exemption from HPS by purchasing other private policies or apply to be insured under HPS. Otherwise, if you are using CPF monies to service the monthly instalment, CPF Board may automatically extend HPS coverage to you, based on the declared percentage that you are exempted for, subject to you being in good health.

If you have a GIRO deduction instruction in the policy and during a full withdrawal, the GIRO deduction instruction shall cease automatically in the policy at the point of termination. No further action is required from you. However, as we always prepare GIRO deduction about 1.5 weeks in advance, you may still experience a deduction. If the deduction occurs, refund will be processed within one month. Please email to ilpteam@income.com.sg if you wish to expedite on the refund.

Application for withdrawal of investment-linked policy

Important notes

What you should know about early full or partial withdrawal of your investment-linked policy

- An insurance policy is intended to meet your long-term financial needs. Therefore, it may be disadvantageous for you to fully or partially withdraw a policy before its maturity date. Some disadvantages are:
 - You are losing valuable benefits from the policy:
 - You are losing the insurance protection offered by your policy;
 - You may not be able to achieve your intended financial objective;
 - This may result in losing the financial benefit accumulated over the years.
 - It may not be possible for you to obtain a similar level of protection on the same terms in the future.
 - You may not be insurable on standard terms;
 - You may have to pay a higher premium in view of higher age;
 - Withdrawing your insurance policy for another policy could result in loss of specific policy features due to changes in age or health.
- Additional charges or fees
If you withdraw your investment-linked policy, fully or partially and then buy a new investment-linked policy or other investment product, or top up on your existing investment-linked policy or other investment product, you will incur new charges. These may include:
 - Distribution fee
Commission is paid to agents or financial advisors on all new insurance policies or investment products.
 - Administration charge
There could be some sales charge or withdrawal fee that is charged for each new policy or investment product.
The sales charge or withdrawal fee can be as high as 3.5% of your investment-linked fund. Hence, on a single premium investment of S\$10,000, a sales charge of S\$350 would be deducted.
 - Policy fee
A policy fee is usually incurred for each policy.
- Fund switching facility
When the fund you have bought is not meeting your initial or current investment objective, you may switch to other fund(s) offered by the Company at its bid price without incurring any charges.
- Other options
You may enquire whether there are other options available under your policy to meet your short term financial needs. Some options are:
 - Opt for a premium holiday if your policy has accumulated cash value. This allows you to temporarily stop paying premiums; or
 - Reduce the policy regular premiums (applicable only to regular premiums policies). This allows you to reduce your ongoing financial commitment to the policy.
- Seeking advice from your advisor
Therefore, it is important to seek advice from your advisor before early full or partial withdrawal of your investment-linked policy or other investment product. Your advisor can advise you on your options other than withdrawing the policy, explain the implications of each option and provide appropriate recommendations to you, taking into account your investment objectives, financial situation and particular needs.
- Electronic Documents
All application and policy correspondence will be sent to you electronically, unless any of these are not available electronically, in which case you will receive the hardcopy by mail
