### **Key Product Provisions**

The following are some key provisions found in the Key Features and Benefits of Insurance Coverage of this plan. This is only a brief summary and you are advised to refer to the actual terms and conditions in the Key Features and Benefits of Insurance Coverage. You should consult a qualified adviser if you require further explanation.

#### **a) Eligibility**

You, your husband or wife and child must meet the following eligibility conditions:

- You are aged 16 to 70 and is an OCBC credit- or debit-card cardholder. You must be the main insured under the policy.
- Your husband or wife is aged 16 to 70 and must be legally married to you and not separated or divorced from you.
- Your child is aged 15 days to 25 years and must be your natural or legally adopted child.
- You, your husband or wife and child must be a Singaporean, Singapore Permanent Resident or foreigner who is working or residing in Singapore to apply for the policy.
- Your husband or wife and child will be eligible to apply for the policy only if you, as the main insured and an OCBC credit- or debit-card cardholder, are covered under the same plan.

The oldest you and your husband or wife can apply for this policy is age 60. The oldest your child can apply for this policy is age 17.

#### **b) Sum Assured**

You can choose the sum assured in multiples of \$10,000.

The maximum sum assured for you, your husband or wife and child is \$300,000 each. If the same insured is covered under more than one policy, the total sum assured must not be more than \$300,000.

The sum assured for your husband or wife and child should not be higher than your sum assured unless your sum assured has been reduced by Income Insurance due to underwriting reasons. If you end your policy or is no longer an OCBC credit- or debit-card cardholder, the cover for you, your husband or wife and child will end. The cover for your husband or wife will also end if you are separated or divorced from your husband or wife.

**c) Premiums**

The premiums that you pay are based on the sum assured and insured's age next birthday. Premium rates will change when the insured enters a higher age band. Premium rates are not guaranteed and may be reviewed from time to time. Please refer to Appendix 1 of the product summary for the premium rates.

**d) Waiting Period**

For critical illness benefit, we will not pay if the insured has been diagnosed for the first time by a registered medical practitioner as suffering from major cancer, heart attack of specified severity, coronary artery bypass surgery and angioplasty and other invasive treatment for coronary artery within 90 days from the start date or reinstatement date (if any) of the insured's cover, whichever is later.

For the other remaining critical illnesses, we will not pay if the diagnosis for the first time by a registered medical practitioner is made within 30 days from the start date or reinstatement date (if any) of the insured's cover, whichever is later.

**e) Terms of Renewal**

The policy will be renewed automatically at the same terms, conditions, exclusions, plan type and sum assured if there is no claim during the term of the policy and premium is paid.

**f) Free-Look Period**

You can cancel the insured's cover by giving us a written request within 14 days from receiving the certificate of insurance. If you cancel the policy, we will refund any premiums paid, less any medical fees paid in assessing the risk under this policy. If we send the certificate of insurance by post, we assume it has been delivered and received in the ordinary course of the post, seven days after the date it is posted.

**g) Grace Period**

There is a 30 days grace period to pay the premiums due on your policy. During the grace period, the insured's cover will stay in force. If the premiums are not paid after the grace period, the policy will automatically end on the day the grace period ends.

If any benefits are due to be paid during this period, we can take off any premiums that you owe from the benefit.

You are responsible for paying us all premiums due or amounts owed for the period before the end of the insured's cover even if the insured's cover has ended.

**h) Reinstatement Period**

If the policy ends because you have not paid the premium, you can reinstate it no later than 12 months after the cover has ended. This applies as long as you pay all the premiums due, you provide us satisfactory proof of the insured's good health (and pay any cost involved in doing this), confirm that the insured is still eligible for the cover, there is no significant change in the risks covered and you agree to other terms and conditions we consider are necessary (including increasing the insured's premium and adding more exclusions).

**i) Cancellation Clause**

The insured's cover ends if any of the following events happens:

- you end this policy;
- you end the cover for your husband or wife or child, whichever applies;
- we do not receive the premium for the insured's cover after the grace period;
- you fail to maintain at least one OCBC credit- or debit-card with OCBC Bank for any reason or you are no longer covered under the policy;
- the insured stops being eligible for cover;
- your contract term ends;
- the claim that is made for the insured's cover is fraudulent;
- the insured dies or becomes totally and permanently disabled as diagnosed by a registered medical practitioner, whichever applies;
- the insured claims for partial and permanent disability arising from one accident, and we have paid 100% of the sum assured or total amount equal to 100% of the sum assured;
- for claims for partial and permanent disability arising from more than one accident, we have paid a minimum total amount of 100% of the sum assured; or
- on the date the insured is diagnosed for the first time by a registered medical practitioner as suffering from terminal illness as shown in the definition of terminal illness in Appendix 3 of the Key Features and Benefits of Insurance Coverage.

This will apply when the earliest of these events happens.

At the end of the insured's cover, we will not refund the premiums paid for the month the cover ends. We will refund any premiums paid for future months.

There is no cash-in value available when the insured's cover ends.
