

Important:

This is a sample of the policy document. To determine the precise terms, conditions and exclusions of your cover, please refer to the actual policy and any endorsement issued to you

Conditions for WealthLink

Your policy

This is a single-premium investment-linked plan designed to increase the value of your investment. Through this plan, **you** can invest in one or a number of investment funds.

Each fund is divided into equal units and **we** will allocate a certain number of units in the fund to your policy depending on the amount of money **you** invest. The return on your investment depends on the performance of the chosen funds and the fund charges.

We will use the bid price to buy units in the funds **you** choose. **We** will also use the bid price to work out the **cash-in value** of your units when **you** want to take out money from your policy. The value of units can fall as well as rise and is not guaranteed.

We will pay a benefit if the insured dies or dies due to an **accident**.

You may cash in all or part of this policy. **We** recommend that **you** get financial advice.

1 What your policy covers

a Death benefit

If the insured dies during the term of your policy, **we** will pay:

- the basic benefit in the table below; or
- the **policy value** at the time **we** are told of the claim;

whichever is higher.

We will take off any fees and charges which apply to your policy.

Your policy will end when **we** make this payment.

We will not pay any further benefits.

When claim event happens	Basic benefit
Before the anniversary immediately after the insured reaches the age of 65	105% of all net premium(s) paid
On or after the anniversary immediately after the insured reaches the age of 65	101% of all net premium(s) paid

b Accidental death benefit

We will pay either the Death Benefit or the **Accidental** Death Benefit only, whichever is higher.

If the insured dies due to an **accident** (on or after the **anniversary** immediately after the insured reaches the age of 65 and before the **anniversary** immediately after the insured reaches the age of 75), **we** will pay:

- 105% of all **net premium(s)** paid; or
- the **policy value** at the time **we** are told of the claim;

whichever is higher.

We will pay this benefit only if the death happens within 365 days of the **accident**. Otherwise, **we** will pay only the Death Benefit.

We will take off any fees and charges which apply to your policy.

Your policy will end when **we** make this payment.

We will not pay any further benefits.

2 Putting money into your policy

a Initial single premium

We will use your initial single premium less the premium charge to buy units at bid price in the funds **you** choose.

b Top-ups

You can add extra payments called 'top-ups' at any time. **We** may set a minimum amount for each top-up.

We will use your top-ups less the premium charge to buy units at bid price in the funds **you** choose on the forms.

When **we** work out any claim benefit, **we** will not consider any top-ups that were made after the event giving rise to the claim.

3 Options you have

a Switching funds

You can switch between funds at any time. If **you** are not switching out of a fund completely, **we** may tell **you** to leave a minimum amount in that fund.

We may charge **you** a small amount and set a minimum amount for each switch. **We** may also limit the number of switches **you** can carry out.

We may take these actions when **we** have good reason to suspect that by switching funds **you** are taking part in activities which aim to take unfair advantage of market timing opportunities. Market

timing refers to the practice of short-term buying and selling of units to take advantage of fund pricing. **We** may also do this if **you** show a pattern of carrying out a lot of transactions over the short term or your transactions are likely, in **our** reasonable opinion, to disrupt the pricing of units of the funds affected.

b Loans

You cannot take a loan from this policy.

4 Taking money out of your policy

You may take money out of your policy by cashing in your units partly or fully. **We** will cash in units (at the bid price) to make the payments. Each withdrawal requires a minimum value of units worth S\$500.

You must also leave a minimum value of units worth:

- S\$1,750 if **you** have one sub-fund; or
- S\$3,500 if **you** have more than one sub-fund; under your policy.

We may change these minimum amounts at any time by giving **you** notice.

Your policy will end after **you** cash in your units fully.

5 Other charges

There will be charges for the cost of setting up your investment-linked policy and the advice **you** receive. The charges also cover dealing with your

policy and investing your money. These charges are set out below.

a Annual management fee

This is an ongoing fee that **we** take from the funds. **We** work this out as a percentage of the value of your chosen funds. **You** can find the annual management fees of the funds on **our** website. **We** may change the annual management fees at any time by giving **you** notice.

b Policy fee

We do not charge any policy fee. However, **we** may change this at any time by giving **you** notice.

c Insurance cover charge

We do not charge for insurance cover. However, **we** may change this at any time by giving **you** notice.

d Premium charge

We will deduct a premium charge of 3.5% from both the initial single premium and for each and every top-up.

We may change the premium charge at any time by giving **you** notice.

e Other charges

We will take from the funds all direct expenses relating to buying, selling and valuing the investments of the funds.

6 Fund dealing times and pricing basis

We must receive your complete instructions (and premium payment for a 'buy' instruction) by 3pm Singapore time for your instruction to be dealt with on the same business day.

If it is not a business day (for example, it is a Saturday, Sunday or public holiday), **we** will deal with your instructions on the following business day.

We may change the 3pm cut-off point at any time by giving **you** notice.

We deal with **our** funds on a forward-pricing basis (in other words, **we** work out the price only when the market closes on that dealing day). This means that **we** cannot know beforehand the prices at which instructions will be carried out.

You can find the bid prices of the funds on **our** website.

7 Distributions

a Declaration of distributions

We may declare distributions for certain funds which have a distribution option. **You** will be entitled to receive these distributions if your policy has not ended and has units held in these funds on the date **we** declare the distribution.

The distribution amount will depend on the number of units **you** hold in these funds on the date **we** declare the distribution.

We set out the dates of when **we** announce, declare and pay out the distributions in the 'Semi Annual Fund Report' and 'Annual Fund Report', or its equivalent.

Distributions are not guaranteed. **We** may or may not pay a distribution every year.

b Reinvesting distributions

For all funds that declare distributions, **we** will reinvest each distribution into the fund from which it is paid. **We** do this by buying units at the bid price (unless **we** say otherwise) on the payout date as set out in the 'Semi Annual Fund Report' or 'Annual Fund Report', or its equivalent. Units reinvested is managed as part of your unit holdings in the policy. To avoid doubt, for any withdrawal including funds that declare distribution, fees and charge may apply.

However, if the distribution amount for a fund is at least S\$50, **you** can choose to receive all future distributions from that fund as payouts instead, by telling **us** in writing at least 30 days before the next declaration date set out in the 'Semi Annual Fund Report' or 'Annual Fund Report', or its equivalent. This applies as long as the fund is not bought under any of these schemes.

- Central Provident Fund Investment Scheme (CPFIS)
- Supplementary Retirement Scheme (SRS)

We will then follow this same choice for the later distributions of that fund, unless **you** tell **us** your new choice at least 30 days before the next declaration date set out in the 'Semi Annual Fund Report' or 'Annual Fund Report', or its equivalent.

These payouts from distributions does not reduce the **net premium(s)** paid.

8 Special circumstances

We may suspend all transactions on a fund. Transactions include new applications to the fund, top-ups, switching, and cashing-in.

We reserve the right to delay the computation of prices for up to 30 business days, from the date of receipt of a written notice requesting for such transactions.

We may do this in the interest of investors and in exceptional circumstances. Reasons for suspending transactions usually fall into these few broad categories.

- Natural disasters, market closures, or the introduction of new exchange controls or laws in countries in which a fund has considerable investments, making valuation impossible or difficult.
- Liquidity issues, when a very large number of investors unexpectedly want to cash in their units at the same time or when asset values fall sharply and trading in the capital markets dries up, so assets cannot be sold to meet payouts (for example, during the 2008/2009 credit crisis).
- When one of the main organisations involved in operating the fund closes down, the fund may then suspend temporarily until a new organisation takes over.
- When funds are being wound up or merged with another fund.

In exceptional circumstances, if **we** believe it is in the best interests of all the investors in the fund, **we** may create new funds, or close or merge the funds by giving **you** notice.

If **we** close any fund, unless **you** tell **us** otherwise in writing, **we** will reinvest the **cash-in value** in any of **our** funds which have investment aims similar to the funds which have been closed.

We will decide on how to manage the funds and choose the investments of the funds and the fund managers. **We** may change the investment aims, focus and approach, and fund managers of any funds by giving **you** notice.

9 What you need to be aware of

a Suicide

If the insured commits suicide within one year from the **cover start date**, **we** will pay the **cash-in value** at the time **we** are told about the claim.

b Accidental death benefit

We will not pay the **accidental** death benefit if **accidental** death is caused directly or indirectly by:

- deliberate acts such as self-inflicted injuries, suicide or attempted suicide;
- unlawful acts, provoked assault or deliberate exposure to danger;
- the effects of alcohol, drugs or any dependence;
- illnesses, psychological conditions or eating disorders;
- heat stroke;
- a bad reaction to drugs or medication;
- the effects of viruses (for example, dengue), bacteria or diseases;
- the negative effects or complications of medical and surgical care;
- treatments aimed at improving appearance, such as cosmetic surgery or any treatment relating to a previous cosmetic treatment;
- radiation or contamination from radioactivity;
- being in any aircraft, except as a fare-paying passenger in a commercial aircraft, or during military operations in peacetime;

- military, air force or naval operations, except when carried out in peacetime;
- warlike operations (whether war is declared or not), war, invasion, riot or any similar event;
- an **accident** which happens outside of Singapore, if the insured has been outside Singapore for more than 180 days in a row at the time of the **accident**; or
- an **act of terrorism**.

c Making a claim

To make a claim for death benefit, **we** must be told within six months after the insured's death.

If this policy provides for **accidental** death or **accidental** total and permanent disability (TPD) benefit, **we** must be told within thirty days after the insured's death or TPD. If **you** tell **us** after the thirty days, **we** will not pay the claim for **accidental** death or **accidental** TPD benefit.

To make a claim for other benefits, **we** must be told within six months after the diagnosis or the event giving rise to the claim. If **you** tell **us** after the six months, **we** will not pay the claim for the other benefits.

When **we** pay a claim, **we** will not refund any premiums that have been paid.

d Refusing to pay a claim

After **you** have been continuously covered for one year from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition** which **you** did not tell **us** about when **you** applied for this policy or rider if health declaration is required;

- **you** or the insured fail to tell **us** any significant information or information which is true, correct or complete which would have affected **our** decision to accept your application; or
- the claim is excluded or not covered under the terms of this policy or rider.

e **Transferring the legal right of the policy**

You cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

f **Excluding third party rights**

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act 2001.

g **Supplementary Retirement Scheme (SRS), Central Provident Fund Investment Scheme (CPFIS)**

If premiums for this policy have been paid with funds from the SRS or CPFIS account, this policy will follow the SRS or CPFIS regulations, which include the following.

- **You** cannot take a loan from the policy or assign (transfer) the policy.
- **We** will make all payments, except the death benefit, to the policyholder's SRS or CPFIS account.

10 Definitions

Accident and **accidental** mean an unexpected incident that results in an injury or death. The injury or death must be caused entirely by being

hit by an external object that produces a bruise or wound, except for injury or death caused specifically by drowning, food poisoning, choking on food, or suffocation by smoke, fumes or gas.

Act of terrorism means an act (which may or may not include using or threatening to use force or violence) by any person or group, committed for political, religious, ideological or similar purposes, with the aim of influencing any government or to put the public, or any section of the public, in fear.

Anniversary means the last day of every 12 months from the **policy entry date** for this policy.

Cash-in value means the **policy value** less any fees and charges **we** may take.

Cover start date means the date:

- **we** issue this policy;
 - **we** issue an endorsement to include or increase a benefit; or
 - **we** reinstate this policy;
- whichever is latest.

Material pre-existing condition means any condition that existed before the **cover start date** which would have reasonably affected **our** decision to accept your application and for which:

- the insured had symptoms that would have caused any sensible person to get medical treatment, advice or care;
- treatment was recommended by or received from a medical practitioner; or
- the insured had medical tests or investigations.

Net premium(s) means the initial single premium paid, and the total of all top-ups made, less all amounts cashed in.

Policy entry date means the 'Policy entry date' shown in the policy schedule.

Policy value means the amount available when your units are multiplied by the bid price.

We, us, our means Income Insurance Limited.

You means the policyholder shown in the policy schedule.
